As the Board’s representative, the Superintendent shall oversee and be responsible for the daily implementation of Board adopted policies, plans, budgets and other actions and resolutions.

Sec. 4. BOARD POLICY TO SUPPLEMENT LAW AND RULES

The policies adopted by the Board shall not supersede and are not in lieu of the legal requirements set out in state and federal law and rule. Instead, Board policy shall supplement existing legal requirements by providing direction to the Superintendent and Richard Milburn Academy personnel, parents, students and other affected parties in the conduct of the affairs of Richard Milburn Academy and in facilitating Richard Milburn Academy’s compliance with state and Federal law and rule. In any instance in which Board policy conflicts with state and Federal law or rule, the pertinent legal requirement will govern and control.

Sec. 5. POLICY DEVELOPMENT AND ADOPTION

In collaboration with Board members, Richard Milburn Academy personnel, legal counsel, parents, and the public at large, the Superintendent may develop and propose to the Board policies that address legal requirements and/or best practices. In its sole discretion, the Board may consider and adopt the policy recommended by the Superintendent. A policy shall be adopted and become effective upon favorable approval by a majority of the Board members present and constituting a quorum at a regular or special meeting of the Board. The Board may adopt a policy with a later effective date if a majority of the Board designates a later adoption.

Sec. 6. GENERAL POLICY DEFINITIONS

The Superintendent may make non-substantive and otherwise inconsequential changes to adopted Board policies to ensure consistency with existing laws and rules (e.g., to include valid legal citations) and Richard Milburn Academy’s organizational structure and operations (e.g., to reference appropriate titles and departments). Legal counsel shall review any and all changes to Board policy by the Superintendent to identify edits that alter the intent of the Board. The Superintendent shall, at the first regular board meeting opportunity, inform the Board of any changes made to policies passed by the Board and shall provide the Board an opportunity through appropriate agenda item to override any changes made.

Sec. 8. IMPLEMENTATION OF BOARD POLICY THROUGH ADMINISTRATIVE PROCEDURES

The Superintendent or designee shall implement Board policy through administrative procedures which may include, but are not limited to the development and adoption of forms, department guides, manuals and/or handbooks. The Superintendent or designee may consult with Richard Milburn Academy personnel, legal counsel or other qualified professionals in the preparation of the administrative procedures.

The Superintendent or designee may amend administrative procedures as needed in conformance with Board policy and law. Should administrative procedure and policy conflict, policy will prevail except in instances where an administrative procedure has been reviewed and adopted by the Board subsequent to the approval of the underlying and conflicting Board policy.

The Superintendent or designee shall provide instruction, training, and supervision to Richard Milburn Academy personnel in the implementation of Board policy and corresponding administrative procedures and shall ensure that Board policy and administrative procedures are provided and available to school personnel, parents, students and other affected parties.

Sec. 9. OFFICIAL BOARD POLICIES AND ADMINISTRATIVE PROCEDURES

However, a transaction cannot be authorized, approved or ratified by a single Director.
- (3) **Vote Not Disallowed by Presence of Directors with a Conflict.** The presence of, or a vote cast by, a Director with a Conflict of Interest in a transaction does not affect the validity of a vote regarding the transaction if the transaction is otherwise authorized, approved or ratified, as prescribed herein.
- (4) **Circumstances in Which Comparability Data is Necessary.** If the transaction involves compensation for services of a Director, an Officer, or other individual deemed to be a disqualified person (as defined above at page 6(B)) under the federal tax rules, or if the transaction involves the transfer of property or other benefit to a Director, Officer, or other individual deemed to be a disqualified person under the federal tax rules, the disinterested Directors or committee must determine that the value of the economic benefit provided by Richard Milburn Academy/Texas, Inc. to the Interested Person or Persons does not exceed the value of the consideration received in exchange by obtaining and reviewing appropriate comparable data (“Comparability Data”).

PART V: NEPOTISM

Sec. 1. NEPOTISM GENERALLY PROHIBITED

A Director or Officer may not hire, select, appoint, confirm the appointment of, or vote for the hiring, selection, appointment, or confirmation of an individual who is to be directly or indirectly compensated from public funds or fees of office, if:

- (1) The person is related to the Director or Officer by consanguinity (blood) within the third degree or by affinity (marriage) within the second degree (as defined below); or
- (2) The Director or Officer holds the appointment or confirmation authority as a member of a local board and the person is related to another member of the Board by blood or marriage within a prohibited degree. Government Code §§ 573.002, 573.041.
- (3) Refer to attached diagram, [Exhibit B](#)

Sec. 2. INDEPENDENT CONTRACTORS

The nepotism law governs the hiring of an individual, whether the individual is hired as an employee or as an independent contractor.

Sec. 3. PAYMENT TO PROHIBITED PERSON

A Director or Officer may not approve an account or draw or authorize the drawing of a warrant or order to pay the compensation of an ineligible person if the Director or Officer knows the person is ineligible. Government Code § 573.083; 19 TAC § 100.1141.

Sec. 4. RELATION BY CONSANGUINITY

Two persons are related to each other by consanguinity (blood) if one is a descendant of the other or if they share a common ancestor. An adopted child is considered to be a child of the adoptive parents for this purpose. Government Code § 573.022.

a) Third Degree of Consanguinity

An individual's relatives within the third degree by consanguinity are the individual's:

- (1) Parent or child (first degree);
- (2) Brother, sister, grandparent, or grandchild (second degree); and
- (3) Great-grandparent, great-grandchild, aunt or uncle (who is a sibling of a parent of the person), nephew or niece (who is a child of a brother or sister of the person) (third degree). Government Code 573.023.

Note: There is no distinction under the nepotism statute between half-blood and full-blood relations. Thus, half-blood relationships fall within the same degree as those of the full blood. See [Exhibit B](#).

Sec. 5. RELATION BY AFFINITY

Two persons are related to each other by affinity (marriage) if they are married to each other, or if the spouse of one of the persons is related by consanguinity to the other person. The ending of a marriage by divorce, or the death of a spouse ends relationships by affinity created by that marriage unless a child of the marriage is living, in which case the marriage is considered to continue as long as a child of that marriage lives. This provision applies to a Board member or Officer only until the youngest child of the marriage reaches the age of 21 years. Government Code § 573.024.

a) First Degree of Affinity

A husband and wife are related to each other in the first degree by affinity. For other relationships, the degree of affinity is the same as the degree of the underlying relationship by consanguinity. For example, if two persons are related to each other in the second degree by consanguinity, the spouse of one of the persons is related to the other person in the second degree by affinity.

b) Second Degree of Affinity

If two individuals are related to each other in the second degree by consanguinity, the spouse of one of the individuals is related to the other individual in the second degree by affinity.

c) Third Degree of Affinity

An individual's relatives within the third degree of affinity are:

- (1) Anyone related by consanguinity to the person's spouse within the first or second degree; and
- (2) The spouse of anyone related to the person by consanguinity within the first or second degree. Government Code § 573.025.

Sec. 6. EXISTING EMPLOYEES/CONTINUOUS EMPLOYMENT

The nepotism prohibitions do not apply to the appointment of a person to a position if the person is employed in the position immediately before the election or appointment of the Director or Officer to whom the person is related in a prohibited degree, and that prior employment is continuous for at least:

- (1) Thirty days, if the Director or Officer is appointed;
- (2) Six months, if the Director or Officer is elected. Government Code § 573.062(a); or

- (3) A person who was not restricted or prohibited under Education Code 12.1055 as it existed before September 1, 2013, from being employed by Richard Milburn Academy/Texas, Inc. and who was employed by Richard Milburn Academy/Texas, Inc. before September 1, 2013, is considered to have been in continuous employment as provided by Government Code § 573.062(a), and is not prohibited from continuing employment with Richard Milburn Academy/Texas, Inc. Education Code § 12.1055(d).

a) Continuous Employment Exception

For purposes of calculating the appropriate date for the applicability of the continuous-employment exception, a superintendent with final authority to select personnel is an appointed Director or Officer. *Atty. Gen. Op. GA-177 (2004)*. If an employee continues in a position under this exception, the Director or Officer to whom the employee is related in a prohibited degree may not participate in any deliberation or voting on the appointment, reappointment, employment, reemployment, change in status, compensation, or dismissal of the employee, if the action applies only to the employee and is not taken regarding a *bona fide* class or category of employees.

Government Code § 573.062(b). A “change in status” includes a reassignment within an organization, whether or not a change in salary level accompanies the reassignment. *Atty. Gen. Op. JC-193 (2000)*. For an action to be “taken with respect to a *bona fide* category of employees,” the officeholder’s action must be based on objective criteria, which do not allow for the preference or discretion of the officeholder. *Atty. Gen. Op. DM-46 (1991)*. The nepotism prohibitions do not apply to appointment or employment of a substitute teacher. Government Code § 573.061.

b) Retired Teachers

A teacher who has retired from a full-time, certified teacher position has broken his or her employment with Richard Milburn Academy, and does not qualify for the continuous employment exception to the nepotism laws. *Atty. Gen. Op. JC-442 (2001)*.

Sec. 7. OTHER NEPOTISM EXCEPTIONS

The nepotism exceptions described in 19 TAC § 100.1139 also apply.

Notwithstanding an exception, a Director or Officer related in a prohibited degree may not participate in any deliberation or voting on the appointment, reappointment, or confirmation of same, employment, reemployment, change in status, compensation, or dismissal of an individual, unless the action is taken regarding a *bona fide* class or category of employees.

Sec. 8. TRADING PROHIBITED

A Director or Officer may not hire, select, appoint, confirm the appointment of, or vote for the hiring, selection, appointment, or confirmation of an individual to a charter position in which the individual’s services are under the Director or Officer’s direction or control if:

- (1) The person is related to another Director or Officer within the prohibited degree; and
- (2) The appointment would be carried out, in whole or in partial consideration for the other Director or Officer's hiring, selecting, appointing, confirming, or voting for an individual who is related to the first Director or Officer within a prohibited degree. Government Code § 573.044.

Sec. 9. SOURCE OF FUNDING IRRELEVANT

The rules against nepotism apply to employees paid with public funds, regardless of the source of those funds. Thus, the rules apply in the case of a teacher paid with funds from a federal grant. *Atty. Gen. L.A. No. 80 (1974)*.

Sec. 10. ENFORCEMENT OF NEPOTISM PROHIBITIONS

In accordance with state law, a Director or Officer who violates the nepotism regulations shall be removed from office by the Board. A failure to thus remove is a material charter violation.

- (1) Removal must be in accordance with the Articles and Bylaws of Richard Milburn Academy/Texas, Inc. and in accordance with the terms of the charter and other state and federal law.
- (2) A Director or Officer violating the nepotism laws may also be removed by the Attorney General and may be subject to criminal and other penalties.

Sec. 11. DELEGATION OF HIRING AUTHORITY

The Board may delegate final authority to select Richard Milburn Academy personnel to the Superintendent, Human Resources Director, or other designated Officer.

If such authority is designated to the Superintendent, the Superintendent is a "public official" for purposes of Chapter 573, Government Code, with respect to a decision made under that delegation of authority. Education Code § 11.1513(f). As such, if the Chief Executive Officer/Superintendent has been delegated final authority to select Richard Milburn Academy personnel, the Chief Executive Officer/Superintendent may not hire, select, appoint, confirm the appointment of, or vote for the hiring, selection, appointment, or confirmation of an individual who is to be directly or indirectly compensated from public funds or fees of office, if:

- (1) The person is related to the Chief Executive Officer/Superintendent by consanguinity (blood) within the third degree or by affinity (marriage) within the second degree; or
- (2) The person is related to a Board member by blood or marriage within a prohibited degree. Government Code §§ 573.002, 573.041.

An individual who is related to the Chief Executive Officer/Superintendent within the relevant level or consanguinity (blood) or by affinity (marriage) and was employed by Richard Milburn Academy before September 1, 1993 is considered to have been in continuous employment as provided by Government Code § 573.062(a), and is not prohibited from continuing employment with Richard Milburn Academy.

Notwithstanding the above, each Director remains subject to Chapter 573, Government Code with respect to all Richard Milburn Academy employees. Education Code §§ 11.1513(f), 12.1055.

PART I: BOARD MEETINGS IN GENERAL

Sec. 1. DEFINITIONS

a) Deliberation

“Deliberation” means a verbal or written exchange between a quorum of the Board, or between a quorum of the Board and another person, concerning an issue within the jurisdiction of the Board. *Gov’t Code 551.001(2)*.

b) Meeting

“Meeting” means a deliberation among a quorum of the Board, or between a quorum of the Board and another person, during which public business or public policy over which the Board has supervision or control is discussed or considered, or during which the Board takes formal action. “Meeting” also means a gathering:

1. That is conducted by the Board or for which the Board is responsible;
2. At which a quorum of members of the Board is present;
3. That has been called by the Board; and
4. At which Board members receive information from, give information to, ask questions of, or receive questions from any third person, including an employee of Richard Milburn Academy, about the public business or public policy over which the Board has supervision or control.

Gov't Code 551.001(4)

A communication or exchange of information between Board members about public business or public policy over which the Board has supervision or control does not constitute a meeting or deliberation for purposes of the Texas Open Meetings Act if the communication is posted to an online message board or similar Internet application in compliance with Government Code 551.006. *Gov't Code 551.006.*

The term “meeting” does not include:

1. The gathering of a quorum of the Board at a social function unrelated to the public business that is conducted by the Board;
2. The attendance by a quorum of the Board at a regional, state, or national convention or workshop, ceremonial event, or press conference; or
3. The attendance by a quorum of the Board at a candidate forum, appearance, or debate to inform the electorate, if formal action is not taken and any discussion of public business is incidental to the social function, convention, workshop, ceremonial event, press conference, forum, appearance, or debate.

Gov't Code 551.001(4).

The attendance by a quorum of the Board at a meeting of a committee or agency of the legislature is not considered to be a meeting if the deliberations at the meeting by the Board members consist only of publicly testifying, publicly commenting, and publicly responding to a question asked by a member of the legislative committee or agency. *Gov't Code 551.0035(b).*

c) *Recording*

“Recording” means a tangible medium on which audio or a combination of audio and video is recorded, including a disc, tape, wire, film, electronic storage drive, or other medium now existing or later developed. *Gov't Code 551.001(7).*

d) *Videoconference Call*

“Videoconference call” means a communication conducted between two or more persons in which one or more of the participants communicates with the other participants through duplex audio and video signals transmitted over a telephone network, a data network, or the Internet. *Gov't Code 551.001(8).*

Sec. 2. MEETINGS OPEN TO THE PUBLIC; TIMING OF MEETINGS

Every regular or special meeting of the board shall be held outside of typical work hours and be open to the public. Gov't Code 551.002; Educ. Code 26.0071.

Sec. 3. PROHIBITED COMMUNICATIONS BETWEEN BOARD MEMBERS

A Board member commits an offense if the member:

1. Knowingly engages in at least one communication among a series of communications that each occur outside of a meeting authorized by the Open Meetings Act and that concern an issue within the jurisdiction of the Board in which the members engaging in the individual communications constitute fewer than a quorum of members, but the members engaging in the series of communications constitute a quorum of members; and
2. Knew at the time the member engaged in the communication that the series of communications:
 - a. Involved or would involve a quorum; and
 - b. Would constitute a deliberation once a quorum of members engaged in the series of communications.

Gov't Code 551.143.

Sec. 4. RECORDING OF MEETING BY SOMEONE IN ATTENDANCE

All or any part of an open meeting may be recorded by any person in attendance by means of a recorder, video camera, or other means of aural or visual reproduction. The Board may adopt reasonable rules to maintain order at a meeting, including rules relating to the location of recording equipment and the manner in which the recording is conducted. These rules may not prevent or unreasonably impair a person from exercising the right to record a meeting that is open to the public. *Gov't Code 551.023.*

Sec. 5. NOTICE REQUIRED

The Board shall give written notice of the date, hour, place, and subject(s) of each Board meeting. *Gov't Code 551.041.*

If the Board recesses an open meeting to the following regular business day, the Board is not required to post notice of the continued meeting if the action is taken in good faith and not to circumvent Government Code Chapter 551. If an open meeting is continued to the following regular business day and, on that following day, the Board continues the meeting to another day, the Board must give the required written notice of the meeting continued to that other day. *Gov't Code 551.0411(a).*

a) Questions from the Public During Meeting

If a member of the public or the Board inquires at a meeting about a subject for which notice has not been given, the notice provisions do not apply to a statement of specific factual information given in response to the inquiry or a recitation of existing policy in response to the inquiry. Any deliberation of or decision about the subject of the inquiry shall be limited to a proposal to place the subject on the agenda of a subsequent meeting. *Gov't Code 551.042.*

b) Time of Notice and Accessibility; Internet Posting of Agenda/Notice

Notice of a Board meeting shall be posted on a bulletin board at a place convenient to the public in the Central Administration Office for at least three (3) business days before the scheduled date of the meeting. That notice or a notice posted at another Board-designated place shall at all times be readily accessible to the public for at least three (3) business days before the scheduled date of the meeting. *Gov't Code 551.043(a), .051.*

Additionally, the Board must concurrently post notice of a meeting on the Internet website, as well as a copy of the agenda for the meeting, if the agenda differs from the posted notice. Richard Milburn Academy satisfies the requirement that the notice must be posted in a place readily accessible to the general public at all times by making a good-faith attempt to continuously post the notice on the Internet during the prescribed period. The validity of a posting by Richard Milburn Academy in a good-faith attempt to comply with the Internet posting requirements is not affected by a failure to comply that is due to a technical problem beyond Richard Milburn Academy's control. *Gov't Code 551.056.*

Richard Milburn Academy must still comply with the duty to physically post the notice in the Central Administration Office, and if Richard Milburn Academy makes a good-faith attempt to continuously post the notice on the Internet during the prescribed period, the physically posted notice must be readily accessible to the general public during normal business hours. *Gov't. Code 551.043(b).*

c) Specificity of Agenda/Notice

Agendas for all meetings shall be sufficiently specific to inform the public of the subjects to be deliberated at the meeting, setting out any special or unusual matters to be considered or any matter in which the public has a particular interest. Deliberations or actions pertaining to the Superintendent and principals are of particular public interest, and notice of those subjects must be worded with such clarity that the public will understand what the Board proposes to discuss or accomplish.

The terms "employee briefing" or "staff briefing" do not give adequate notice of the subject matter to be presented to the Board by employees or staff members.

The subject of a report or update by Richard Milburn Academy staff or a Board member must be set out in the notice in a manner that informs a reader about the subjects to be addressed.

d) Required Notice for Budget-related Items

Public notice for meetings involving budget discussion or adoption must also include a physical copy of the proposed budget, unless the school has made the proposed budget clearly accessible on the home page of the school's Internet website. Richard Milburn Academy must ensure this budget information is publicly available through one or both means. Gov't Code 551.043(c)

e) Emergency Meeting or Emergency Agenda Additions

In an emergency or when there is an urgent public necessity, the notice of a meeting to deliberate or take action on the emergency or urgent public necessity, or the supplemental notice to add the deliberation or taking action on the emergency or urgent public necessity as an item to the agenda for a meeting for which notice has been posted in accordance with the Open Meetings Act is sufficient if the notice or supplemental notice is posted for at least one hour before the meeting is convened.

The Board may not deliberate or take action on a matter at a meeting for which notice or supplemental notice is posted other than:

1. A matter directly related to responding to the emergency or urgent public necessity identified in the notice or supplemental notice of the meeting; or
2. An agenda item listed on a notice of the meeting before the supplemental notice was posted.

An emergency or urgent public necessity exists only if immediate action is required because of:

1. An imminent threat to public health and safety, including a threat described in item 2 below, if imminent; or
2. A reasonably unforeseeable situation, including:
 - a. Fire, flood, earthquake, hurricane, tornado, or wind, rain, or snow storm;
 - b. Power failure, transportation failure, or interruption of communication facilities;
 - c. Epidemic; or
 - d. Riot, civil disturbance, enemy attack, or other actual or threatened act of lawlessness or violence.

The Board shall clearly identify the emergency or urgent public necessity in the notice of an emergency meeting or supplemental notice.

The sudden relocation of a large number of residents from the area of a declared disaster within Richard Milburn Academy's geographic boundaries is considered a reasonably unforeseeable situation for a reasonable period immediately following the relocation.

Gov't Code 551.045.

f) Catastrophe

If the Board is prevented from convening an open meeting that was otherwise properly posted under Government Code Section 551.041 because of a catastrophe, the Board may convene the meeting in a convenient location within 72 hours pursuant to Government Code Section 551.045

if the action is taken in good faith and not to circumvent Government Code Chapter 551. If the Board is unable to convene the open meeting within those 72 hours, the Board may subsequently convene the meeting only if the board gives the required written notice of the meeting.

“Catastrophe” means a condition or occurrence that interferes physically with the ability of the Board to conduct a meeting, including:

1. Fire, flood, earthquake, hurricane, tornado, or wind, rain, or snow storm;
2. Power failure, transportation failure, or interruption of communication facilities;

The Board President or other Board member who calls an emergency meeting or adds an emergency item to the agenda of a Board meeting shall notify the news media of the emergency meeting or emergency item. The Board President or other Board member is required to notify only those members of the news media that have previously filed a request containing all pertinent information for the special notice and agreed to reimburse Richard Milburn Academy for the cost of providing the special notice. The Board President or other Board member shall give the notice by telephone, fax transmission, or electronic mail at least one hour before the meeting is convened. *Gov’t Code 551.047.*

A Board member who participates by videoconference call shall be counted as present at the meeting for all purposes. A Board member who participates in a meeting by videoconference call shall be considered absent from any portion of the meeting during which audio or video communication with the Board member is lost or disconnected. The notice of a meeting to be held by videoconference call must specify as a location of the meeting the location where a quorum of the Board will be physically present and specify the intent to have a quorum present at that location; the notice of a meeting held by videoconference call described above at "Multiple Counties" must specify as a location of the meeting the location where the Board member presiding over the meeting will be physically present and specify the intent to have the presiding officer present at that location.

If the problem is not resolved in six hours or less, the meeting must be adjourned.

The location specified in the notice, and each remote location from which a member of the board participates, shall have two-way audio and video communication with each other location during the entire meeting. The audio and video signals perceptible by members of the public at the location of the meeting described by the notice and each remote location from which a Board member participates must be of sufficient quality so that members of the public at each location can observe the demeanor and hear the voice of each participant in the open portion of the meeting.

Sec. 2. PUBLIC COMMENT

The Board shall allow each member of the public who desires to address the Board regarding an item on an agenda for an open meeting of the Board to address the Board regarding the item at the meeting before or during the Board's consideration of the item. At all other times during a Board meeting, the audience shall not enter into discussion or debate on matters being considered by the Board, unless requested by the presiding officer.

Written submissions to the Board are subject to public disclosure in accordance with the law.

A speaker who wishes to address multiple agenda items may be given an increased time limit as additional time to address the Board.

b) Additional Time for Translation

A member of the public who addresses the Board through a translator must be given at least twice the amount of time as a member of the public who does not require the assistance of a translator

c) Public Criticism

The Board may not prohibit public criticism of the Board, including criticism of any act, omission, policy, procedure, program, or service. This does not apply to public criticism that is otherwise prohibited by law.

Gov't Code § 551.007.

The time during which a person may examine information may be interrupted by Richard Milburn Academy if the information is needed for use by Richard Milburn Academy. The period of interruption is not considered to be a part of the time during which the person may examine the information.

A request is considered to have been withdrawn if the requestor fails to inspect or duplicate the public information in the offices of Richard Milburn Academy on or before the 60th day after the date the information is made available or fails to pay the postage and any other applicable charges accrued under Government Code, Chapter 552, Subchapter F on or before the 60th day after the date the requestor is informed of the charges.

This exception applies to specific information that is again requested from Richard Milburn Academy after the Attorney General has previously issued a decision regarding the precise information or records at issue.

Richard Milburn Academy may rely on a previous determination by the Attorney General regarding a specific, clearly delineated category of information if:

 - d. produce the information at the date and time included in each notice.
3. Produce the information if it is required to be produced; and
4. Notify the requestor in writing that Richard Milburn Academy is withholding the information as authorized by the opinion or that Richard Milburn Academy has filed suit against the Attorney General regarding the information.

h) Additional Information

If the Attorney General determines that additional information is necessary to render a decision, the Attorney General shall give Richard Milburn Academy and the requestor written notice of that fact. Richard Milburn Academy shall submit the necessary additional information to the Attorney General not later than the seventh calendar day after the date the notice is received. If Richard Milburn Academy does not comply with the Attorney General's request, the information is presumed to be subject to required public disclosure and must be released unless there is a compelling reason to withhold the information. *Gov't Code § 552.303(c)-(e)*.

i) Privacy or Property Interests

If information is requested and a person's privacy or property interests may be involved, including a case under Government Code 552.101 (information confidential by law), 552.110 (trade secrets), 552.1101 (proprietary information), 552.114 (student records), 552.131 (economic development information), or 552.143 (investment information), Richard Milburn Academy may decline to release the information for the purpose of requesting a decision from the Attorney General. A person whose interests may be involved, or any other person, may submit in writing to the Attorney General the person's reasons why the information should be withheld or released. Richard Milburn Academy may, but is not required to, submit its reasons why the information should be withheld or released. *Gov't Code § 552.305(a)-(c)*.

Gov't Code § 552.305(d).

Sec. 8. CHARGES REGARDING TPIA REQUESTS

a) Costs and Charges

The charge for providing a copy of public information shall be an amount that reasonably includes all costs related to reproducing the information, including costs of materials, labor, and overhead.

The charges shall not be excessive and shall not exceed the actual cost of producing the information or for making public information that exists in a paper record available. Charges for providing a copy of public information are considered to accrue at the time Richard Milburn Academy advises the requestor that the copy is available on payment of the applicable charges.

i. 50 Pages or Fewer

If a request is for 50 or fewer pages of paper records, the charge for providing the copy of the information shall be limited to the charge for each page of the paper record that is photocopied, unless the pages to be photocopied are located in two or more separate buildings that are not physically connected with each other or a remote storage facility. The charge for providing a copy may not include costs of materials, labor, or overhead.

ii. Statement of Labor Costs

If the charge for providing a copy of public information includes costs of labor, the requestor may require the officer for public information or agent to provide the requestor with a written statement as to the amount of time that was required to produce and provide the copy. The statement must be signed by the officer or agent, and the officer or agent's name must be typed or legibly printed below the signature. A charge may not be imposed for providing the written statement to the requestor.

All requests received in one calendar day from an individual may be treated as a single request for purposes of calculating costs. Richard Milburn Academy may not combine multiple requests from separate individuals who submit requests on behalf of an organization.

iii. Attorney General's Rules

Richard Milburn Academy shall use the Attorney General's rules to determine the charges for providing copies of public information and to determine the charge, deposit, or bond required for making public information that exists in a paper record available for inspection, except to the extent that other law provides for charges for specific kinds of public information.

Richard Milburn Academy may determine its own charges for providing copies of public information and its own charge, deposit, or bond for making public information that exists in a paper record available for inspection. However, Richard Milburn Academy may not charge an amount that is greater than 25 percent more than the amount established by the Attorney General, unless Richard Milburn Academy requests an exemption.

iv. Exemptions

Richard Milburn Academy may request that it be exempt from part or all of the rules adopted by the Attorney General for determining charges. The request must be made in writing to the Attorney General and must state the reason for the exemption. If Richard Milburn Academy receives notice from the Attorney General that an exemption has been granted, Richard Milburn Academy may amend its charges according to the Attorney General's determination.

v. Copies for Parents

Richard Milburn Academy may charge a reasonable fee in accordance with the above requirements for copies of materials provided to parents pursuant to Education Code 26.012.

vi. Statement of Estimated Charges

If a request for a copy of public information will result in the imposition of a charge that exceeds \$40, Richard Milburn Academy shall provide the requestor with a written itemized statement that details all estimated charges that will be imposed, including any allowable charges for labor or personnel costs. If an alternative less costly method of viewing the records is available, the statement must include a notice that the requestor may contact Richard Milburn Academy regarding the alternative method. Richard Milburn Academy must inform the requestor of the responsibilities imposed on the requestor by Government Code 552.2615 and the rights granted by that section and give the requestor the information needed to respond as detailed in Government Code 552.2615(a).

If, after Richard Milburn Academy provides the requestor the itemized statement but before it makes the copy or the paper record available, Richard Milburn Academy determines that the estimated charges will exceed the charges detailed in the original itemized statement by 20 percent or more, Richard Milburn Academy shall send to the requestor an updated written itemized statement that details all estimated charges that will be imposed, including any allowable charges for labor or personnel costs.

vii. Requestor's Response

A request for which Richard Milburn Academy is required to produce an (original or updated) itemized statement of estimated charges is considered to have been withdrawn if the requestor does not respond in writing to the itemized statement by informing Richard Milburn Academy within 10 business days after the date the statement is sent to the requestor that:

1. The requestor will accept the estimated charges;
2. The requestor is modifying the request in response to the itemized statement; or
3. The requestor has sent to the Attorney General a complaint alleging that the requestor has been overcharged for being provided with a copy of the public information.

viii. Actual Charges

If the actual charges exceed \$40, the charges may not exceed:

1. The amount estimated in the updated itemized statement; or
2. If an updated itemized statement is not sent to the requestor, an amount that exceeds by 20 percent or more the amount estimated in the original itemized statement.

ix. Timing of Deadlines

An original or updated itemized statement is considered to have been sent by Richard Milburn Academy, and a requestor is considered to have responded to the statement, on the date that the statement or response is:

1. Delivered in person;
2. Deposited, properly addressed, in the U.S. mail; or
3. Transmitted by electronic mail or facsimile, provided the requestor agrees to receive the statement by those means.

The time deadlines for providing or responding to the required statement of estimated charges do not affect the application of a time deadline imposed on Richard Milburn Academy for requesting a decision by the Attorney General under Government Code 552, Subchapter G.

Gov't Code § 552.2615.

b) Deposit or Bond

The officer for public information or agent may require a deposit or bond for payment of anticipated costs for the preparation of a copy of public information if:

1. The officer or agent has provided the requestor with the written itemized statement required by Government Code 552.2615 (see STATEMENT OF ESTIMATED CHARGES, section 8-a-vi above); and
2. The charge for providing the copy is estimated by Richard Milburn Academy to exceed \$100, if Richard Milburn Academy has more than 15 full-time employees, or \$50, if Richard Milburn Academy has fewer than 16 full-time employees.

The officer or agent may not require a deposit or bond as a down payment for copies of public information that the requestor may request in the future.

Gov't Code § 552.263(a), (b).

For the purposes of charging for providing copies of public information or for requesting an Attorney General's opinion, a request for a copy of public information is considered to have been received by Richard Milburn Academy on the date Richard Milburn Academy receives the deposit or bond. *Gov't Code § 552.263(e).*

A requestor who fails to make such a deposit or post such a bond before the 10th business day after the date the deposit or bond is required is considered to have withdrawn the request. *Gov't Code § 552.263(f).*

i. Modified Request

If a requestor modifies a request in response to the requirement of a deposit or bond, the modified request is considered a separate request and is considered received on the date Richard Milburn Academy receives the written modified request. *Gov't Code § 552.263(e-1)*.

ii. Unpaid Amounts

The officer for public information or agent may require a deposit or bond for payment of unpaid amounts the requestor owes Richard Milburn Academy in relation to previous public information requests before preparing a copy of public information in response to a new request, if those unpaid amounts exceed \$100. The officer for public information or agent may not seek payment of those unpaid amounts through any other means. *Gov't Code § 552.263(c)*.

If Richard Milburn Academy receives a request from a requestor who, within the preceding 180 days, has accepted but failed to pay written itemized statements of estimated charges from Richard Milburn Academy as provided under Government Code 552.261(b), Richard Milburn Academy may require the requestor to pay the estimated charges for the request before the request is fulfilled. *Gov't Code § 552.2661*.

iii. Documentation of Unpaid Amounts

Richard Milburn Academy must fully document the existence and amount of those unpaid amounts or the amount of any anticipated costs before requiring a deposit or bond. The documentation is subject to required public disclosure. *Gov't Code § 552.263(d)*.

iv. Waivers

Richard Milburn Academy shall provide a copy of public information without charge or at a reduced charge if Richard Milburn Academy determines that waiver or reduction of the charge is in the public interest because providing the information primarily benefits the public. If the cost to Richard Milburn Academy of processing the collection of a charge for providing a copy of public information will exceed the amount of the charge, Richard Milburn Academy may waive the charge. *Gov't Code § 552.267*.

*c) **Government Publications***

The cost provisions described above do not apply to a publication that is compiled and printed by or for Richard Milburn Academy for public dissemination. If the cost of the publication is not determined by state law, Richard Milburn Academy may determine the charge for providing the publication, or Richard Milburn Academy may provide the publication free of charge, if state law does not require a certain charge. *Gov't Code § 552.270*.

Sec. 9. INSPECTION OF PUBLIC INFORMATION

a) Inspection of Public Information

If the requestor does not request a copy of public information, Richard Milburn Academy may not impose a charge for making available for inspection any public information that exists in a paper record, except as set forth below. *Gov't Code § 552.271(a)*.

i. Confidential Information

If a page contains confidential information that must be edited from the record before the information can be made available for inspection, Richard Milburn Academy may charge for the cost of making a photocopy of the page from which the confidential information must be edited. No charge other than the cost of the photocopy may be imposed. *Gov't Code § 552.271(b)*.

ii. Payment, Deposit, or Bond

The officer for public information or agent may require a requestor to pay, or to make a deposit or post a bond for the payment of, anticipated personnel costs for making available for inspection public information that exists in paper records if:

1. The information specifically requested by the requestor is older than five years or completely fills, or when assembled will completely fill, six or more archival boxes; and
2. The officer for public information or agent estimates that more than five hours will be required to make the information available for inspection.

Gov't Code § 552.271(c).

If Richard Milburn Academy has fewer than 16 full-time employees, the payment, deposit, or bond may be required only if:

1. The information specifically requested by the requestor is older than three years or completely fills, or when assembled will completely fill, three or more archival boxes; and
2. The officer for public information or agent estimates that more than two hours will be required to make the information available for inspection.

Gov't Code § 552.271(d).

b) Electronic Records

If Richard Milburn Academy receives a request to inspect information that exists in an electronic medium and that is not available directly online to the requestor, Richard Milburn Academy may not impose a charge for access to the information unless complying with the request will require programming or manipulation of data. If programming or manipulation of data is required, Richard Milburn Academy shall notify the requestor before assembling the information and provide the requestor with an estimate of charges that will be imposed.

If public information exists in an electronic form on a computer owned or leased by Richard

Milburn Academy and the public has direct access to that computer through a computer network or other means, the electronic form of the information may be electronically copied from that computer without charge if accessing the information does not require processing, programming, or manipulation on Richard Milburn Academy's computer before the information is copied. If such information does require processing, programming, or manipulation before it can be copied, Richard Milburn Academy may impose charges.

If Richard Milburn Academy creates or keeps information in an electronic form, Richard Milburn Academy is encouraged to explore options to separate confidential information from public information and make the public information available to the public through electronic access through a computer network or other means.

Gov't Code § 552.272.

Sec. 10. TEMPORARY SUSPENSION OF TEXAS PUBLIC INFORMATION ACT (TPIA) DUE TO CATASTROPHE

The requirements of the TPIA do not apply if Richard Milburn Academy is currently significantly impacted by a catastrophe such that the catastrophe directly causes the inability of the school to comply with the TPIA and complies with the requirements below for declaring a suspension period.

"Catastrophe" means a condition or occurrence that directly interferes with the ability of Richard Milburn Academy to comply with the TPIA's requirements, including:

1. Fire, flood, earthquake, hurricane, tornado, or wind, rain, or snow storm;
2. Power failure, transportation failure, or interruption of communication facilities;
3. Epidemic; or
4. Riot, civil disturbance, enemy attack, or other actual or threatened acts of lawlessness or violence.

"Catastrophe" does not mean a period when staff is required to work remotely and can access information responsive to an application for information electronically, but the physical office of the school is closed.

"Suspension period" means the period of time during which Richard Milburn Academy may suspend the applicability of the TPIA's requirements.

a) Initial Suspension Period

The Board may suspend the applicability of the TPIA to Richard Milburn Academy for an initial suspension period. The School may suspend the TPIA only once for each catastrophe. The initial suspension may not exceed seven consecutive days and must occur during the period that:

1. Begins not earlier than the second day before the date Richard Milburn Academy submits notice to the Attorney General; and
2. Ends not later than the seventh day after the date Richard Milburn Academy submits that

notice.

b) Extension of Initial Suspension Period

The Board may extend an initial suspension period if the Board determines that Richard Milburn Academy is still impacted by the catastrophe on which the initial suspension period was based. The initial suspension period may be extended one time for not more than seven consecutive days that begin on the day following the day the initial suspension period ends. The combined suspension period may not exceed a total of 14 consecutive calendar days with respect to any single catastrophe.

c) Informing the Attorney General

If the Board elects to suspend the TPIA, Richard Milburn Academy must submit notice to the Attorney General that Richard Milburn Academy is currently impacted by a catastrophe and has elected to suspend the applicability of the TPIA during the initial suspension period. The notice must be on the form prescribed by the Attorney General, and must require Richard Milburn Academy to:

1. Identify and describe the catastrophe that Richard Milburn Academy is currently impacted by;
2. State the date the initial suspension period determined by the Board begins and the date that period ends;
3. If the Board has determined to extend the initial suspension period:
 - a. State that Richard Milburn Academy continues to be impacted by the catastrophe; and
 - b. State the date the extension to the initial suspension period begins and the date the period ends; and
4. Provide any other information the Attorney General determines necessary.

d) Informing the Public

If the Board elects to suspend the TPIA, Richard Milburn Academy must provide notice to the public of the suspension in a place readily accessible to the public and in each other location Richard Milburn Academy is required to post a notice under the Open Meetings Act. Richard Milburn Academy must maintain the notice of the suspension during the entire suspension time.

e) Requests Received During a Suspension Period

A request for public information received by Richard Milburn Academy during a suspension period is considered to have been received by Richard Milburn Academy on the first business day after the date the suspension period ends.

f) Pending Requests During a Suspension Period

A TPIA request received by Richard Milburn Academy before the date an initial suspension period

begins will not be processed until the first business day after the date the suspension period ends.

Gov't Code § 552.233.

Sec. 11. PRODUCTION OF PUBLIC INFORMATION WHEN ADMINISTRATIVE OFFICES CLOSED

If Richard Milburn Academy closes its physical offices but requires staff to work, including remotely, then the School shall make a good faith effort to continue responding to applications for public information, to the extent staff have access to responsive information. Failure to respond to an application for information may constitute a refusal to request an AG decision or a refusal to supply public information or information that the Attorney General has determined is public information.

Tex. Gov't Code §552.2211.

Sec. 12. MISCELLANEOUS

a) Limit on Personnel Time for Large or Frequent Requests

Richard Milburn Academy may set reasonable monthly and yearly limits on the amount of time that school personnel are required to spend producing public information for inspection or duplication by a requestor, or providing copies of public information to a requestor, without recovering its costs attributable to that personnel time.

Richard Milburn Academy has set the following monthly and yearly limits on the amount of time that school personnel are required to spend producing or providing copies of public information to a requestor without recovering costs attributable to that personnel time:

1. A monthly time limit of 15 hours for a requestor within a one-month period; or

ii. Exception

This section does not apply if the requestor is an individual who, for a substantial portion of the individual's livelihood or for substantial financial gain, gathers, compiles, prepares, collects, photographs, records, writes, edits, reports, investigates, processes, or publishes news or

information for and is seeking the information for:

1. Dissemination by a news medium or communication service provider, including (a) an individual who supervises or assists in gathering, preparing, and disseminating the news or information; or (b) an individual who is or was a journalist, scholar, or researcher employed by an institution of higher education at the time the person made the request for information; or

iii. Written Statement of Personnel Time

Each time Richard Milburn Academy complies with a request for public information, Richard Milburn Academy shall provide the requestor with a written statement of the amount of personnel time spent complying with that request and the cumulative amount of time spent complying with requests for public information from that requestor during the applicable monthly or yearly period. The amount of time spent preparing the written statement may not be included in the amount of time in the statement, unless the requestor’s time limit for the period has been exceeded.

iv. Written Estimate of Charges

If the cumulative amount of personnel time spent complying with requests for public information

from the same requestor equals or exceeds the established time limit, Richard Milburn Academy shall provide the requestor with a written estimate of the total cost, including materials, personnel time, and overhead expenses, necessary to comply with the request. Richard Milburn Academy shall provide the written estimate on or before the 10th day after the date on which the request was made. The amount of this charge relating to the cost of locating, compiling, and producing the public information shall be established by rules prescribed by the Attorney General.

When a request is made by a requestor who has made a previous request to Richard Milburn Academy that has not been withdrawn, for which Richard Milburn Academy has located and compiled documents in response, and for which Richard Milburn Academy has issued a written estimate of charges that remains unpaid on the date the requestor submits the new request, Richard Milburn Academy is not required to locate, compile, produce, or provide copies of documents or prepare an estimate of charges in response to a new request until the date the requestor pays each unpaid statement issued in connection with a previous request or withdraws the previous request to which the statement applies.

Gov't Code §552.275(e), (e-1).

v. *Request for Photo Identification*

Richard Milburn Academy may request photo identification from a requestor for the sole purpose of establishing that the requestor has not:

1. Exceeded a limit established by Richard Milburn Academy under this Policy; and
2. Concealed the requestor's identity.

A request for photo identification must include a written estimate of charges, as described above, applicable to the requestor who has exceeded a limit established by Richard Milburn Academy and a statement that describes each specific reason why the request for identification may apply to the requestor. Richard Milburn Academy shall accept as proof of a requestor's identification physical presentment of photo identification or an image of the photo identification that is transmitted electronically or through the mail. A requestor from whom Richard Milburn Academy has requested photo identification may decline to provide identification and obtain the requested information by paying the charge assessed in the statement.

Gov't Code §552.275(n).

vi. *Additional Time*

If Richard Milburn Academy provides the requestor with written notice that additional time is required to prepare the written estimate, Richard Milburn Academy must provide the written estimate as soon as practicable, but on or before the 10th day after the date Richard Milburn Academy provided the notice that additional time was required.

vii. *Acceptance of Charges*

If Richard Milburn Academy provides a requestor with the estimate of charges or written request

for identification and the time limits regarding the requestor have been exceeded, Richard Milburn Academy is not required to produce public information for inspection or duplication or to provide copies of public information in response to the requestor's request unless on or before the 10th day after the date Richard Milburn Academy provided the written estimate, the requestor submits payment of the amount stated in the written estimate, or provides identification or submits payment, as applicable. If the requestor fails or refuses to provide identification or submit payment, the requestor is considered to have withdrawn the request. *Gov't Code §552.275(h)*.

viii. Waived or Reduced Charges

This section does not prohibit Richard Milburn Academy from providing a copy of public information without charge or at a reduced rate, or from waiving a charge for providing a copy of public information, under Government Code 552.267. *Gov't Code §552.275(h)*.

ix. Inspection on Behalf of Another Requestor

A requestor who has exceeded a limit established by Richard Milburn Academy under this Policy may not inspect public information on behalf of another requestor unless the requestor who exceeded the limit has paid each statement issued by Richard Milburn Academy. *Gov't Code § 552.271(e), Gov't Code § 552.272(f)*.

b) Filing Suit to Withhold Information

Richard Milburn Academy may file suit seeking to withhold information if Richard Milburn Academy receives a determination from the Attorney General that information must be disclosed to a requestor. The suit must be filed in Travis County district court against the Attorney General and must seek declaratory relief from compliance with the Attorney General's decision.

Richard Milburn Academy must bring the suit not later than the 30th calendar day after Richard Milburn Academy receives the Attorney General's decision. If Richard Milburn Academy wishes to preserve an affirmative defense for its officer for public information, as provided by Government Code 552.353(b)(3), Richard Milburn Academy must file suit not later than the 10th calendar day after receipt of the Attorney General's decision.

The complaint process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or “mini-trial” at any level.

Sec. 2. GENERAL RULES FOR COMPLAINTS

In this policy, the terms “complaint” and “grievance” shall have the same meaning.

Complaints by members of the public must be filed under this policy, unless the terms of another policy apply. In such instance, Richard Milburn Academy shall inform the complainant of the complaint policy that will be used in response to a grievance by a member of the public.

Richard Milburn Academy encourages the public to discuss concerns and complaints through informal conferences with the appropriate administrator. Concerns should be raised as soon as possible to allow early resolution at the lowest possible administrative level.

Informal resolution is encouraged, but will not extend any deadlines in this policy except by written mutual consent.

Sec. 3. FILING A COMPLAINT

a) General

Complaint forms and appeal notices must be filed by hand-delivery, by electronic communication (email or fax), or by U.S. Mail. Hand-delivered filings will be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Each party shall pay its own costs incurred in the course of the complaint.

Complaints and appeals under this policy shall be filed in writing on a form provided by Richard Milburn Academy.

Copies of all documents that support the complaint should be attached to the complaint form. If the individual does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the individual unless the individual did not know the documents existed before the Level One conference.

Richard Milburn Academy shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law.

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the individual and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels. The Board may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. The lack of a decision by the Board constitutes approval of the Level Two decision.
