The Principal (or a student's attendance committee, as applicable) has authority to offer a student in any of grades 9–12 credit for an academic subject in which the student had some prior instruction if the student scores 70% on a criterion-referenced test approved by the Board for the particular course. In order to obtain credit by examination with prior instruction, a student in any of grades 9–12 must also satisfy the following local requirements:

1. A student who has previously taken a course – but did not receive credit for it – may, in circumstances determined by the Principal and Response to Intervention (RTI) committee, be permitted to earn credit by passing an exam on the essential knowledge and skills defined for that course or subject. Prior instruction may include, for example, incomplete coursework due to a failed course or excessive absences, homeschooling, or coursework by a student transferring from a non-accredited school. The student must score at least 70 on the exam to receive credit for the course or subject.

Any criterion-referenced test approved by the Board shall assess the student's mastery of the essential knowledge and skills and shall be administered according to established Richard Milburn Academy procedures.

Prior to offering a student an opportunity to demonstrate mastery or earn credit by this method, an appropriate Richard Milburn Academy employee shall review the student's records to determine whether the student has had prior instruction in the subject or course.

19 TAC 74.24(c)(12).

Sec. 2. CREDIT BY EXAMINATION (WITHOUT PRIOR INSTRUCTION)

With Board approval, Richard Milburn Academy shall develop or purchase examinations for acceleration that thoroughly test the essential knowledge and skills for credit for secondary school academic subjects.

PG.-2.201 ACADEMIC TESTING PROGRAMS

Sec. 1. LOCAL TESTING

In addition to the state-administered assessment instruments, Richard Milburn Academy may adopt and administer criterion-referenced or norm-referenced assessment instruments, or both, at any grade level. Any such locally adopted norm-referenced assessment instrument must be economical, nationally recognized, and state-approved.

For purposes of this Policy, "assessment instrument" means a Richard Milburn Academy- commissioned achievement test, either nationally normed or criterion-referenced, that is group administered and reported

publicly (such as to the Board) in the aggregate.

A company or organization scoring an assessment instrument shall send test results to Richard Milburn Academy for verification. Richard Milburn Academy shall have 90 days to verify the accuracy of test data and report the results to the Board.

Richard Milburn Academy shall follow procedures for test security and confidentiality set forth in 19 TAC Chapter 101, Subchapter C. *Education Code 39.026, .032; 19 TAC 101.101.*

a) Limits on Local Testing

In a subject area for which a state assessment is administered, Richard Milburn Academy may not administer locally required assessments designed to prepare students for state-administered assessments to any student on more than 10% of the instructional days in any school year. A campus-level planning and decision-making committee may limit the administration of locally required assessments to 10% or a lower percentage of the instructional days in any school year. This prohibition does not apply to the administration of college preparation assessments, advanced placement tests, international baccalaureate examinations, or state assessments. *Education Code 39.0262.*

Sec. 2. BENCHMARK ASSESSMENT INSTRUMENTS

“Benchmark assessment instrument” means a Richard Milburn Academy-required assessment instrument designed to prepare students for a corresponding state-administered assessment instrument. An assessment instrument designed to prepare students for state-administered assessment instruments is one that:

1. Evaluates students’ potential performance relative to the state’s blueprint in whole for a state-administered assessment; or
2. Is primarily focused on test-taking techniques.

It does not include an assessment designed to evaluate students’ mastery of parts of the Texas Essential Knowledge and Skills or the efficacy of instructional practice.

Richard Milburn Academy may not administer to any student more than two benchmark assessment instruments to prepare the student for a corresponding state-administered assessment instrument.

This prohibition does not apply to the administration of a college preparation assessment instrument, including the PSAT, the ACT-Plan, the SAT, or the ACT, an advanced placement test, an international baccalaureate examination, or an independent classroom examination designed or adopted and administered by a classroom teacher.

A parent of or person standing in parental relation to a student who has special needs, as determined in accordance with Commissioner of Education rule, may request administration to the student of additional benchmark assessment instruments.

Education Code 39.0263; 19 TAC 101.6003.

Sec. 3. COLLEGE PREPARATION ASSESSMENTS

Each school year, and at state cost, Richard Milburn Academy may administer an established, valid, reliable, and nationally norm-referenced preliminary college preparation assessment instrument:

1. To students in the spring of the eighth grade for the purpose of diagnosing the academic strengths and deficiencies of students before entrance into high school; and
2. To students in the tenth grade for the purpose of measuring a student's progress toward readiness for college and the workplace.

The provisions of Education Code 39.0261(a)(1) and (a)(2), with respect to the administration of college preparation assessment instruments at state cost, apply only if the legislature appropriates funds for those purposes.

Education Code 39.0261(a)(1)-(a)(2), (f).

High school students, in the spring of the eleventh grade or during the twelfth grade, may select and take once, at state cost:

1. One of the valid, reliable, and nationally norm-referenced assessment instruments used by colleges and universities as part of their undergraduate admissions processes; or
2. The assessment instrument designated by the Texas Higher Education Coordinating Board under Education Code 51.334.

A high school student is not prohibited from taking a test more than once, at his or her own expense.

Education Code 39.0261(a)(3), (e).

Sec. 4. ARMED SERVICES VOCATIONAL APTITUDE BATTERY TEST

Each school year, Richard Milburn Academy shall provide students in grades 10 through 12 an opportunity to take the Armed Services Vocational Aptitude Battery test ("ASVAB") test and consult with a military recruiter. The test must be scheduled:

1. During normal school hours; and
2. At a time that limits conflicts with extracurricular activities, to optimize student participation.

Richard Milburn Academy shall provide each student in grades 10 through 12 and the student's parent or person standing in parental relation to the student a notice of the date, time, and location of the scheduled administration of the ASVAB test.

Richard Milburn Academy may elect not to provide the ASVAB test only if it provides an alternative test that:

1. Assesses a student's aptitude for success in a career field other than a career field that requires postsecondary education;
2. Is free to administer;
3. Requires minimal training and support of Richard Milburn Academy faculty and staff to administer the test; and
4. Provides the student with a professional interpretation of the test results that allows the student to explore occupations that are consistent with the student's interests and skills and develop strategies to attain the student's career goals.

Education Code 29.9015.

PG.-2.202 READING ASSESSMENTS

Sec. 1. SELECTION OF READING INSTRUMENTS

The Commissioner of Education (“Commissioner”) shall adopt a list of reading instruments that Richard Milburn Academy may use to diagnose student reading development and comprehension. Richard Milburn Academy may adopt a list of reading instruments for use in addition to the reading instruments on the Commissioner’s list. Each reading instrument adopted must be based on scientific research concerning reading skills development and reading comprehension. A list of adopted reading instruments must provide for diagnosing the reading development and comprehension of students participating in a bilingual education or special language program. *Education Code 28.006(b)*.

Sec. 2. ACCELERATED READING INSTRUCTION PROGRAM

Richard Milburn Academy shall implement an accelerated reading instruction program that provides reading instruction addressing reading deficiencies to students identified as at risk for dyslexia or other reading difficulties, and shall determine the form, content, and timing of that program. The ARD committee of a student who participates in Richard Milburn Academy’s special education program and who does not perform satisfactorily on a reading instrument shall determine the manner in which the student will participate in an accelerated reading instruction program.

Education Code 28.006(g).

PG.-2.203 STATE ASSESSMENTS

Sec. 1. STUDENT TESTING REQUIREMENTS

All Richard Milburn Academy students receiving instruction in the essential knowledge and skills shall take the appropriate criterion-referenced assessments, as required by Education Code, Chapter 39, Subchapter B. *19 TAC 101.5(a)*.

Unless exempted by applicable law, a student may not receive a high school diploma until the student has performed satisfactorily on applicable end-of-course (“EOC”) assessment instruments. *Education Code 39.025(a); 19 TAC 101.4001*.

Sec. 2. EMERGENT BILINGUAL STUDENTS

In grades 9–12, emergent bilingual students shall participate in the state assessment in accordance with the Commissioner of Education’s (“Commissioner”) rules at 19 TAC Chapter 101, Subchapter AA. *Education Code 39.023(l), (m)*.

Sec. 3. SPECIAL EDUCATION

The student’s admission, review and dismissal (“ARD”) committee shall determine whether any allowable modification is necessary in administering to the student a required EOC assessment instrument and whether the student is required to achieve satisfactory performance on an EOC assessment instrument to receive a high school diploma. *Education Code 39.025(a-4)*.

Sec. 4. MILITARY DEPENDENTS

If a student is a military dependent, Richard Milburn Academy shall accept:

1. Exit or EOC exams required for graduation from the sending state;

2. National norm-referenced achievement tests; or
3. Alternative testing, in lieu of testing requirements for graduation in the receiving state.

In the event the above alternatives cannot be accommodated for a military dependent transferring in his or her senior year, then the provisions of Education Code 162.002 art. VII, Section C shall apply.

a) Substitute Passing Standard

A substitute passing standard adopted by the Commissioner may be applied only for a qualified military dependent who enrolls in a Texas public school in this state for the first time after completing the ninth grade or who reenrolls in a Texas public school at or above the tenth grade level after an absence of at least two years from Texas public schools. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

Education Code 162.002 art. VII, §§ B–C.

Sec. 5. ADMINISTRATION OF ASSESSMENTS

Richard Milburn Academy shall follow the test administration procedures established by the Texas Education Agency (“TEA”) in the applicable test administration materials. The Superintendent shall be responsible for administering tests. *19 TAC 101.25, 101.27.*

Each assessment instrument required under Education Code 39.023(a), (c), or (l) must be administered electronically, unless otherwise provided by Commissioner Rule. *Education Code 39.0234(a).*

a) Assessment Schedule

The Commissioner shall specify the schedule for testing and field testing. Participation in University Interscholastic League (UIL) area, regional, or state competitions is prohibited on any days on which testing is scheduled between Monday and Thursday of the school week in which the primary administration of assessment instruments occurs. The Commissioner may provide alternate dates for the administration of tests required for a high school diploma to students who are migratory children and who are out of the state. *19 TAC 101.25.*

b) Alternate Test Dates

Richard Milburn Academy or a campus may request from the Commissioner an alternate test date. Alternate test dates will only be allowed if Richard Milburn Academy or campus is closed on the day on which testing is scheduled or if there is an exceptional circumstance, defined below, that may affect Richard Milburn Academy's or campus' ability to administer an assessment or the students' performance on an assessment. “Exceptional circumstances” include:

1. Inclement weather or natural disasters that would cause Richard Milburn Academy or campus to be closed or that would cause a small percentage of students to be in attendance on the day testing is scheduled;
2. Health epidemics that result in a large number of students being absent on the day of testing;
3. Death of a student or school official that may impact student performance; and
4. Sudden emergencies that occur on the day of testing or shortly before testing that may inhibit

students from completing the assessments, such as a fire on campus, a bomb threat, an extended power outage, or a water main break.

If an alternate test date for primary test administration is approved, the Commissioner may prohibit Richard Milburn Academy or campus from participating in UIL competition on the new test date if that is determined to be in the best interest of Richard Milburn Academy, campus, and students.

19 TAC 101.5003.

c) Assessment on Religious Holy Days

For purposes of this subsection, “religious holy day or period of observance” means a holy day or a period of holy days observed by a religion whose places of worship would be exempt from property taxation under Tax Code 11.20.

The Board may consider the dates of religious holy days or periods of observance likely to be observed by enrolled students during the period set by the State Board of Education for the administration of state assessment instruments in establishing:

1. Richard Milburn Academy’s calendar for that school year; and
2. The instructional days within that period on which students are administered the required assessment instruments, provided that the Board may not exclude more than two instructional days from that period based solely on the occurrence of a single religious holy day or period of observance.

In establishing a school calendar, the Board shall provide for alternative dates for the administration of state assessments who is absent from school to observe a religious holy day or period of observance on the date an assessment instrument is administered.

Education Code 39.0238.

d) Request for Paper Administration

Subject to the limitations in this subsection, Richard Milburn Academy may administer an assessment instrument required under Education Code 39.023(a), (c), or (l) in paper format to any student whose parent, guardian, or teacher in the applicable subject area requests the assessment instrument be administered to the student in paper format. *Education Code 39.02342(a).*

A request for the administration of an assessment instrument in paper format must be submitted to the school:

1. For a fall administration of an assessment instrument, not later than September 15 of the school year in which the assessment instrument will be administered; and
2. For a spring administration of an assessment, not later than December 1 of the school year in which the assessment instrument will be administered.

Education Code 39.02342(b).

The number of students enrolled at Richard Milburn Academy who are administered an assessment

instrument in paper format for any single administration may not exceed three percent of the number of students enrolled in Richard Milburn Academy. On receipt of more requests for administration of an assessment instrument than the maximum number permitted under this subsection, Richard Milburn Academy shall accept the requests in the order received until the maximum number is reached. This limitation does not apply a student whose admission, review, and dismissal committee determines that the administration of an assessment instrument in paper format is a necessary modification for the student.

Education Code 39.02342(c).

Sec. 6. NOTICE TO STUDENTS AND PARENTS

The Superintendent shall be responsible for providing written notice to each student and the student's parent or guardian of the testing requirements for graduation and the dates, times, and locations of testing. Notice of testing requirements shall be provided no later than the beginning of the student's seventh-grade year. The Superintendent shall also provide such notice for students in grades 9–12 who are new to Richard Milburn Academy. Notice of the dates, times, and locations of testing shall be provided to each student who will take the tests and to out-of-school individuals.

19 TAC 101.3012(a).

Sec. 7. END-OF-COURSE ASSESSMENTS

Students in grade 9 and above who are enrolled in a course for which an EOC assessment exists as required by Education Code 39.023(c) shall take the appropriate assessment. *19 TAC 101.3021(a).*

a) Students Enrolled Below High School Level

A student in grade 8 or lower who takes a high school course for credit is required to take the applicable EOC assessment. The EOC assessment result shall be applied toward the student's assessment graduation requirements, as specified in 19 TAC 101.3022. *19 TAC 101.3021(d).*

b) Assessment Requirements for Graduation

A student must meet satisfactory performance on an EOC assessment listed in Education Code 39.023(c) only for a course in which the student is enrolled and for which an EOC assessment instrument is administered in order to be eligible to receive a Texas diploma.

i. Exceptions: English I or English II

A student who was administered separate reading and writing EOC assessments under Education Code 39.023(c), for the English I or English II course has met that course's assessment graduation requirement if the student has:

1. Achieved satisfactory performance on either the reading or writing EOC assessment for that course;
2. Met at least the minimum score on the other EOC assessment for that course; and
3. Achieved an overall scale score of 3750 or greater when the scale scores for reading and writing are combined for that course.

Exceptions related to English I also apply to emergent bilingual student learners who meet the criteria in 19 TAC 101.1007.

ii. Exceptions: Credits Earned Prior to Enrollment

If a student earned high school credit for a course with an EOC assessment prior to enrollment in a Texas public school and the credit has been accepted by a Texas public school, or a student completed a course for Texas high school credit in a course with an EOC assessment prior to the 2011–2012 spring administration, the student is not required to take the corresponding EOC assessment.

19 TAC 101.3021(e), .3022.

c) Substitute Assessments

A student may use certain assessments as substitute assessments in place of an EOC assessment, to meet the student's assessment graduation requirements in accordance with the Commissioner's chart at 19 TAC 101.4002(b). An approved substitute assessment may be used in place of only one specific EOC assessment.

A student is eligible to use a substitute assessment if the student meets all eligibility criteria listed in 19 TAC 101.4002(c)-(d).

A student electing to substitute an assessment for graduation purposes must still take the required EOC assessment if the student does not meet the eligibility requirements above.

A student who fails to perform satisfactorily on the PSAT or the ACT-PLAN as indicated in the chart at 19 TAC 101.4002(b) must take the appropriate EOC assessment to meet the assessment graduation requirements for that subject.

ii. Verification of Results

An eligible student is responsible for providing Richard Milburn Academy an official copy of the student's scores from the substitute assessment. Upon receipt of official results of an approved substitute assessment, Richard Milburn Academy must:

1. Verify the student's score on the substitute assessment; and
2. Determine whether the student met the performance standard required to qualify for a public high school diploma in Texas as established by the Commissioner.

19 TAC 101.4002, .4005.

d) Satisfactory Performance

A student is required to achieve a scale score that indicates satisfactory performance, as determined by the Commissioner, on each EOC assessment instrument administered to the student. *Education Code 39.025(a).*

e) Individual Graduation Committee

A student in grade 11 or 12 who has failed to comply with the EOC assessment instrument performance requirements under Education Code 39.025 for not more than two courses may qualify to graduate on the basis of a review by an individual graduation committee ("IGC"). *Education Code 28.0258, 39.025(a-2).*

f) Special Education

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258. As provided in 19 TAC 89.1070 (Graduation Requirements) and 19 TAC 101.3023 (Participation and Graduation Assessment Requirements for Students Receiving Special Education Services), a student's ARD committee determines whether a student is required to achieve satisfactory performance on an EOC assessment to graduate.

A student dismissed from a special education program who achieved satisfactory performance on an alternate EOC assessment while enrolled in a special education program is not required to take and achieve satisfactory performance on the general EOC assessment to graduate. A student who took an EOC assessment while enrolled in a special education program is not required to retake and achieve satisfactory performance on the EOC assessment if the student's ARD committee determined that the student was not required to achieve satisfactory performance on the EOC assessment to graduate. A student dismissed from a special education program must achieve satisfactory performance on any remaining EOC assessments that the student is required to take. If the student fails to achieve satisfactory performance on no more than two of the remaining EOC assessments, the student is eligible for IGC review under Education Code 28.0258 and is subject to the IGC provisions above. *19 TAC 101.3022(f)*.

A student receiving special education services who successfully completes the requirements of his or her IEP, including performance on a state assessment required for graduation, shall receive a Texas high school diploma. A student's ARD committee shall determine if the student will be required to meet satisfactory performance on an assessment for purposes of graduation.

All students in grades 9–12 with significant cognitive disabilities who are assessed with an alternate assessment as specified in the student's IEP will be assessed using alternate versions of EOC assessments as listed in 19 TAC 101.3011(b)(2).

19 TAC 101.3023(a)-(b).

g) Credit by Examination

An EOC assessment administered under Education Code 39.023(c) cannot be used for purposes of credit by examination under 19 TAC 74.24. *19 TAC 101.3021(c)*.

h) Retakes

Each time an EOC assessment instrument is administered, a student who failed to achieve a score requirement may retake the assessment instrument. A student is not required to retake a course as a condition of retaking an EOC assessment instrument. If a student failed a course but achieved satisfactory performance on the applicable EOC assessment, that student is not required to retake the assessment if the student is required to retake the course. *Education Code 39.025(b); 19 TAC 101.3021(f), .3022(d)*.

Sec. 8. REPORTING RESULTS

a) Public Reports

Overall student performance data, aggregated by ethnicity, sex, grade level, subject area, campus, and district, shall be made available to the public, with appropriate interpretations, at regularly scheduled meetings of the Board, after receipt from TEA. The information shall not contain the names of individual students or teachers. *Education Code 39.030(b)*.

b) Reports to the Board

The Superintendent shall accurately report all test results, with appropriate interpretations, to the Board according to the schedule in the applicable test administration materials.

c) Reports to Students, Parents, and Teachers

All test results shall be included in each student's academic achievement record and shall be furnished for each student transferring to another district or school. Upon receipt of the assessment results from the test contractor, Richard Milburn Academy shall disclose a student's assessment results to a student's teacher in the same subject area as the assessment for that school year. *19 TAC 101.3014*.

The TEA has adopted a series of questions to be included in an EOC assessment instrument administered under Education Code 39.023(c) to be used for purposes of identifying students who are likely to succeed in an advanced high school course. Richard Milburn Academy shall notify a student who performs at a high level on the questions and the student's parent or guardian of the student's performance and potential to succeed in an advanced high school course. Richard Milburn Academy may not require a student to perform at a particular level on the questions to be eligible to enroll in an advanced high school course. *Education Code 39.0233(b)*.

d) Parent's Right-to-Know Under ESSA

As a condition of receiving assistance under Title I, Part A of the Elementary and Secondary Education Act (ESEA) (20 U.S.C. 6301 et seq.), Richard Milburn Academy shall provide to each individual parent of a child who is a student in such school, with respect to such student information on the level of achievement and academic growth of the student, if applicable and available, on each of the state academic assessments required under Part A. *20 U.S.C. 6312(e)(1)(B)(i)*.

Sec. 9. OUT-OF-STATE TRANSFERS

Richard Milburn Academy shall accurately report to TEA whether that student transferred into Richard Milburn Academy from out of state during the current school year. Procedures for the reporting of out-of-state-transfer students to TEA shall be established in the applicable test administration materials. Richard Milburn Academy shall follow procedures specified in those test administration materials.

The assessment results of the out-of-state transfer students shall be reported separately to Richard Milburn Academy from the results of its other students in addition to the current reporting of assessment results for all students and other student subsets.

19 TAC 101.3014.

Sec. 10. ACCELERATED INSTRUCTION

Richard Milburn Academy shall provide accelerated instruction to any student who fails to perform satisfactorily on a state assessment instrument in the manner required by applicable law. *See also PG-2.205*.

Sec. 11. ASSESSMENT SECURITY AND CONFIDENTIALITY

All assessment instruments included in the student assessment program are considered secure, and the contents of these tests, including student information used or obtained in their administration, are confidential.

The Superintendent and campus principals in all Richard Milburn Academy schools shall:

1. Implement and ensure compliance with state test administration procedures and training activities;
2. Notify TEA as soon as Richard Milburn Academy becomes aware of any alleged or suspected violation of the security or confidential integrity of an assessment;
3. Report all confirmed testing violations to TEA within 10 working days of Richard Milburn Academy becoming aware of the violation in accordance with the reporting process stipulated in the test administration materials;

PG.-2.302 LIBRARY MATERIALS

Sec. 1. DEFINITIONS

While "instructional materials" and "library materials" are both considered instructional resources, they are not the same, and the terms shall not be used interchangeably

a) Instructional materials

Instructional materials are defined as content in the school's core educational program that conveys the essential knowledge and skills of a subject in the public school curriculum through a medium or a combination of media for conveying information to students, and as further defined by Education Code 31.002(1-a).

b) Library materials

For purposes of this policy, library materials, whether held in a formal school library or in a classroom,

are defined as electronic, print, and nonprint resources, excluding textbooks, for independent use by students and faculty to supplement and support the Richard Milburn Academy's core educational program.

c) Open-source instructional material

Open-source instructional material is electronic instructional material that is available for downloading from the Internet at no charge to a student and without requiring the purchase of an unlock code, membership, or other access or use charge, except for a charge to order an optional printed copy of all or part of the instructional material. Education Code 31.002(1-a).

d) Technological equipment

Technological equipment is hardware, a device, or equipment necessary for instructional use in the classroom, including to gain access to or enhance the use of electronic instructional materials; or professional use by a classroom teacher. Education Code 31.002(4).

Sec. 2. OBJECTIVES

This policy provides criteria for the selection, removal, and replacement of library materials, focused on maximizing transparency with parents and community members while meeting student needs to provide supplemental enrichment in their learning with appropriate materials. Through the provision of these library materials, Richard Milburn Academy shall recognize that parents hold an essential role in the education of their children and have the right to guide what their children read.

Richard Milburn Academy shall apply the standards, dimensions, and expectations as defined by rule 13 TAC §4.1, and any related guidance including the Texas State Library and Archives Commission's Guidance for School Libraries on Collection Development, as well as the School Library Programs: Standards and Guidelines for Texas to evaluate and set goals for the school library collection in alignment with board-approved policies and procedures.

Sec. 3. AVOIDING INAPPROPRIATE MATERIAL

In addition to the above criteria for selection, all material should be appropriate for students. Texas Penal Code §43.24(a)(2) describes harmful material as material whose dominant theme taken as a whole: (1) appeals to the prurient interest of a minor, in sex, nudity, or excretion; (2) is patently offensive to prevailing standards in the adult community as a whole with respect to what is suitable for minors; and (3) is utterly without redeeming social value for minors. It is an offense in Texas to distribute this material in violation of Texas Penal Code §43.24(b). No library material shall be used if it contains content that can meet the harmful material standard. Finally, the library collection development policies must demonstrate a commitment to compliance with the Children's Internet Protection Act (CIPA) as specified in 47 U.S.C. §254(h)(5), including technology protection measures.

Sec. 4. RESPONSIBILITY FOR SELECTION

While the legal responsibility for the purchase of all instructional materials is vested in the Richard Milburn Academy School Board, the responsibility for the selection of library materials is discharged to

the Richard Milburn Academy Principal. The Board will provide final approval for all new materials added to the library.

Sec. 5 CRITERIA FOR SELECTION

All selected material shall be appropriate for students as described under Texas Penal Code §43.24(a)(2) which describes harmful material as material whose dominant theme taken as a whole: (1) appeals to the prurient interest of a minor, in sex, nudity, or excretion; (2) is patently offensive to prevailing standards in the adult community as a whole with respect to what is suitable for minors; and (3) is utterly without redeeming social value for minors. It is an offense in Texas to distribute this material in violation of Texas Penal Code §43.24(b). No library material shall be used if it contains content that can meet the harmful material standard. Finally, collection development policies must demonstrate a commitment to compliance with the Children's Internet Protection Act (CIPA) as specified in 47 U.S.C. §254(h)(5), including technology protection measures.

The district-level library supervisor or designated administrator shall work cooperatively with library staff, faculty, and the administration to apply this policy in making selections for school library collections. To ensure parental engagement, Richard Milburn Academy shall make the selection process of library materials readily available for parental review, with a list of all library materials posted on-line on the district's website, and the content of all materials available for direct review during reasonable hours specified for such review.

Each item selected shall:

1. Support and enrich the curriculum and/or students' personal interests and learning;
2. Meet high standards in literary, artistic, and aesthetic quality; technical aspects; and physical format;
3. Be appropriate for the subject area and for the age, intellectual development, and ability level of the students for whom the materials are selected;
4. For non-fiction resources, incorporate accurate and authentic factual content from authoritative sources;
5. Earn favorable reviews in standard reviewing sources and/or favorable recommendations based on preview and examination of materials by professional personnel;
6. Balance cost with need.
7. Avoid inappropriate material as defined above.

In addition to the above criteria, fiction, narrative nonfiction (memoirs and biographies), and graphic novels must each meet the following selection criteria, with Richard Milburn Academy determining that such materials:

1. Are integral to the instructional program.
2. Reflect the interests and needs of the students and faculty.
3. Are appropriate for the reading levels and understanding of students.
4. Are included because of their literary or artistic value and merit.
5. If narrative nonfiction, present information with the greatest degree of accuracy and clarity.

The following selection objectives are adopted to ensure the selected material is aligned with Richard Milburn Academy educational program and curriculum

- To provide materials that enrich and support the curriculum and personal needs of the users, considering their varied interests, abilities and learning styles
- To provide materials that stimulate growth in factual knowledge, literary appreciation, aesthetic values, and ethical standards in the pluralistic society
- To provide a background of information which enables students to make intelligent judgments in their daily lives
- To provide materials on opposing sides of controversial issues that users may develop the practice of critical analysis
- To provide materials which realistically represent our pluralistic society and reflect the contributions made by all groups and individuals to our American heritage
- To principle above personal opinion and reason above prejudice in selection of materials of the highest quality to assure a comprehensive library media collection for all users.

The following criteria for selection addresses the educational goals of Richard Milburn Academy

- Relevance to today's world, reflecting problems, aspirations, attitudes and ideals of society

- Appeal of the material to the library's users
- Artistic quality and/or literary style

- Value commensurate with cost and/or need
- Timeliness or permanence
- Integrity
- Not inappropriate, as defined above.

Prior to any material being selected for inclusion, all library material shall have been read, reviewed, and recommended for inclusion by the district-level library supervisor or individual(s) designated by that supervisor/media specialist. If more support and/or resources are needed for this review, the Board may approve the engagement of a cooperative of other Texas public schools and rely upon the recommendation of that cooperative.

Sec. 6. ACQUISITION PROCEDURES

The district-level library supervisor or designated administrator/media specialist shall select material based on their own expertise and solicit recommendations from others. Recommendations for library acquisitions shall involve administrators, teachers, other Richard Milburn Academy personnel, parents, and community representatives, as appropriate.

Selection of materials is an ongoing process that includes the removal of collections deemed by the Board or the district-level library supervisor or designated administrator/media specialist to be no longer appropriate and the periodic replacement or repair of materials still of educational value.

School library materials orders shall be approved by the district-level library supervisor or designated administrator/media specialist for both orders at the district and campus level.

When acquiring new library material content not previously acquired, the district-level librarian or designee shall submit a list to the Superintendent for inclusion in a board agenda. The Board shall be provided the list at least thirty days prior to action.

Richard Milburn Academy may not purchase library material from a library material vendor who is listed on the Texas Education Agency's list of library material vendors who fail to comply with Education Code 35.003(b). *Education Code 35.003(d)*.

a) Individual board member review

If any board member questions or desires further information on any title or author, he/she shall contact the Superintendent at least thirty (30) days before board action. The Superintendent or designee shall then contact the district-level library supervisor to obtain copies of professional reviews of any library material in question. If so desired, the board member can obtain a copy of the library material from another source.

b) Board action

The order of purchase for library materials in its entirety, including any materials in question by individual board members, shall be presented to the Board following the 30-day review period.

Prior to voting, individual Board members shall have an opportunity to present their rationale for desiring to exclude certain books from the order, with amendments to the proposed list considered either as a group or individually, depending on board action. After Board approval, the final list shall be processed for order. As the new materials are received, they shall be checked against a master list of materials ordered.

The selection and acquisition of the digital library collection will follow the same policies and procedures as the physical library collection. The district shall ensure that the method by which students access the digital library will allow students only to access age/grade-appropriate content. The curator will apply access levels by consulting the peer-reviewed recommended age group, District librarians, and educators. Access levels shall be applied as:

Recommended Ages	Grade Span	Content Access Level
14+	9-12	High School
Adult	9-12	High School

c) TexQuest digital resources

TexQuest is the Texas State Library and Archives Commission's (TSLAC's) electronic instructional resources program for public schools. District participation in TexQuest is voluntary. TexQuest is supported by the Texas Legislature and by participation fees paid by school districts and open enrollment charter schools. TSLAC administers all aspects of the TexQuest program and coordinates with districts on the implementation and management of any TexQuest resources the district or school system selects to make available for its students.

TSLAC licenses resources for the TexQuest program following state procurement practices and with opportunities for community input. Professional librarians evaluate resources for inclusion in the program based on the TexQuest Collection Development Policy and actively manage the resulting contracts. Use of any or all TexQuest digital resources and e-books remains a Board decision.

Sec. 7. CHALLENGE PROCEDURES

A parent of a Richard Milburn Academy student or any Richard Milburn Academy resident may formally challenge library material used in the Richard Milburn Academy's educational program on the basis of appropriateness. The school receiving a complaint about the appropriateness of a library material shall try to resolve the matter informally through a telephone/video conference or meeting between the complainant and the school librarian, designated campus administrator, or District-level library supervisor.

The conference may also include other necessary staff members as deemed appropriate by district-level library personnel.

If the complainant wishes to file a formal request for reconsideration, a copy of the "Request for Reconsideration of Library Materials" form shall be provided to the complainant by district-level Library supervisor or designated administrator/media specialist. The following shall apply:

1. All formal concerns regarding library materials shall be submitted on the form provided by the Richard Milburn Academy and shall submit the completed and signed form to district-level library supervisor or designated administrator/media specialist.
2. The District-level library supervisor/media specialist shall appoint a reconsideration committee within ten business days that shall review the challenged material and determine whether it conforms to the principles of selection set out in this policy.
3. The reconsideration committee shall include both district and campus-level professional staff, including at least one member who has experience using the challenged resource with students or is familiar with the content of the challenged material, and two parents of students. The Superintendent or designee shall chair the committee.
4. The total voting committee membership shall be an uneven number. The complainant will not be a member of the committee, but the complainant's written submission will be thoughtfully considered by the committee.
5. Prior to the committee meeting, each committee member will read a copy of the library

material in question.

6. All committee members shall review the submitted written concern.
7. The committee will review all items on the Checklist for Re-consideration of Library Materials.
8. After working through the checklist for reconsideration of library materials and any deliberations the committee feels necessary, committee members will vote on the disposition of the library material being considered.

The major criterion for the final decision on challenged library material is the appropriateness of the resource for its intended educational use. The plurality opinion in *Bd. of Educ. v. Pico*, 457 U.S. 853 (1982) uses the standard that no challenged instructional resource shall be removed solely because of the ideas expressed therein. The opinion allows the removal of materials because they are pervasively vulgar or based upon the lack of educational suitability of the library material. Further, making a determination of appropriateness will include a review of and compliance with 47 U.S.C. §254(h)(5), Texas Penal Code §43.24(a)(2), and Texas Penal Code §43.24(b).

When the committee has reached a decision, the appropriate District-level administrator/media specialist shall notify the complainant. The decision shall be in written form, dated, and provided to the complainant within ten (10) District business days of the committee's meeting. All other appropriate staff members will be informed of the reconsideration and the outcome.

A specific library material that completes the formal challenge process and remains in the library will not be reconsidered within one year of final determination, and any material removed will not be eligible for consideration to be added again for at least 10 years. The district shall verify previous decisions prior to convening a reconsideration committee.

As noted above, TSLAC administers all aspects of the TexQuest program and has adopted policies for the selection and management of TexQuest resources. Challenges to material provided through the program would follow the TSLAC TexQuest Content review process.

Appeal of Reconsideration Committee. The complainant may appeal the decision of the reconsideration committee by filing the appropriate district grievance form.

The decision of the Board, if appealed to the Board, is final and non-appealable.

Sec. 8. OPPORTUNITY FOR PARENT REVIEW

In recognizing that parents hold an essential role in the education of their children and have the right to guide what their children read, each library shall maintain a printed list of materials onsite and on the school library website that shows what has been selected as well as what is slated for acquisition. The Superintendent, or designated District-level administrator/media specialist, will offer a "Parent Preview" at least ten days before books are to be placed on the shelves, once in the fall and once in the spring. Audio-visual materials are to be made available to parents for in-person review, upon request, on the same basis as printed materials are made available.

Sec. 9. OTHER PARENTAL CONSIDERATIONS

In school libraries, students are afforded the opportunity to self-select texts as part of literacy development. While librarians are trained in selecting materials in accordance with Board policy and the outlined selection criteria and may provide guidance to students in selecting texts, the ultimate determination of appropriateness lies with the student and parent.

School librarians, or designated campus administrators, are to encourage parents to share any considerations regarding their students' book selections. Parents may contact the campus librarian directly and/or complete an online form for library book opt-out decisions. School librarians will accommodate individual requests by parents, within reason, which may include restricting specific titles or books.

Richard Milburn Academy may not allow an enrolled student to reserve, check out, or otherwise use outside the school library any library materials rated as sexually relevant material unless the school first obtains written consent from the student's parent or person standing in parental relation. *Education Code 35.005*.

Sec. 10. CRITERIA FOR GIFTS AND DONATIONS

Gifts and donations to the school library or classroom libraries are accepted with the understanding that the decision for use and disposition of the materials and/or funds will be determined using the same selection criteria as purchased materials. All materials should support the curriculum and needs of library users. Gifts and donations, like purchased resources, will be removed from the collection at the end of their useful life. Gifts and donations will be subject to the acquisition policy and process for approval before including in the school library collection or in a classroom library.

Sec. 11. ROUTINE REVIEW AND REMOVAL OF MATERIALS

Bi-annually OR Annually, the District-level library supervisor/media specialist shall collaborate with campus library personnel and administration to conduct an inventory of the school library collection and equipment. The inventory can be used to determine losses and remove damaged or worn materials which can then be considered for replacement. The inventory can also be used to deselect and remove materials that are no longer relevant to the curriculum or of interest to students. Additionally, the District-level library supervisor/media specialist should develop a collection maintenance plan that includes systematic inspection of materials that would result in removing outdated, damaged, or irrelevant materials from the collection. All materials removed from the collection shall be disposed of in accordance with the District's property disposal procedures. Incorporated into this routine review and removal of existing inventory, the District shall create an ongoing cycle to review content existing in circulation.

Sec. 12. REVIEW AND REPORTING OF CERTAIN LIBRARY MATERIALS

Not later than January 1 of every odd-numbered year, Richard Milburn Academy shall:

1. Review the content of each library material in the catalog of a school library that is rated as sexually relevant material under Education Code 35.002(a) by the library material vendor;

2. Determine in accordance with the school's policies regarding the approval, review, and reconsideration of school library materials whether to retain each library material reviewed in the school library catalog; and

The report must include:

1. The title of each library material reviewed;

Education Code 29.063(c).

The LPAC shall also fulfill the duties set forth at 19 TAC 89.1220(g)-(j).

c) Home Language Survey

For each new student enrolling for the first time in a Texas public school in any grade from prekindergarten through Grade 12, the Texas Education Agency ("TEA")-developed home language survey shall be administered. This home language survey will serve as the original and only home language survey throughout the student's educational experience in Texas public schools. If Richard Milburn Academy is required to administer a home language survey, the school shall require that the survey be signed by the student's parent for each student in prekindergarten through Grade 8 or by the student in Grades 9-12 as permitted under Education Code 29.056(a)(1). It is Richard Milburn Academy's responsibility to ensure that the student's parent understands the language used in the survey and its implications. The original copy of the survey shall be kept in the student's permanent record and transferred to any subsequent Texas public school districts in which the student enrolls

The TEA-developed home language survey shall be administered in English and a language that the parents can understand. The home language survey shall contain the following questions:

All attempts to contact the sending district to request records shall be documented. Multiple attempts to obtain the student's original home language survey shall be made.

If a parent determines an error was made when completing the original home language survey, the parent may request a correction only if:

1. The student has not yet been assessed for English proficiency; and
2. Corrections are made within two calendar weeks of the student's initial enrollment date in Texas public schools.

19 TAC 89.1215.

d) Classification as an Emergent Bilingual Student

The LPAC may classify a student as emergent bilingual if:

1. The student's ability in English is so limited or the student's disabilities are so severe that assessment procedures cannot be administered;
2. The student's score or relative degree of achievement on the TEA-approved English proficiency test is below the levels established by TEA as indicative of reasonable proficiency;
3. The student's primary language proficiency score as measured by a TEA-approved test is greater than the student's proficiency in English; or

The parent's approval shall be considered valid for the student's continued participation in the required bilingual education or ESL program until the student meets the reclassification criteria described in 19 TAC 89.1226(i), the student graduates from high school, or a change occurs in program placement. A change between bilingual education and ESL program placement requires new parental approval using the TEA-developed change in placement letter. *19 TAC 89.1240(a)(2).*

If a parent denies program placement at any point, the TEA-developed denial letter shall be used to ensure parents are informed of the implications of program denial, including understanding that the child will continue to be identified as an emergent bilingual student and will continue to be assessed annually using the Texas English Language Proficiency Assessment System (“TELPAS”) until reclassification criteria have been met. *19 TAC 89.1240(a)(3)*.

Pending completion of the identification process, receipt of LPAC documentation for transferring students, or parental approval of an identified emergent bilingual student’s placement into the bilingual education or ESL program recommended by the LPAC, Richard Milburn Academy shall place the student in the recommended program. However, only emergent bilingual students with parental approval for program participation will be included in the bilingual education allotment. *19 TAC 89.1220(j)*.

h) *Students with Disabilities*

For students with disabilities, Richard Milburn Academy shall utilize the state’s criteria for identification of emergent bilingual students as described in 19 TAC 89.1226(f) and shall establish placement procedures that ensure the placement recommendation by the LPAC, in conjunction with the admission, review, and dismissal (“ARD”) committee, in a bilingual education or English as a second language program is not refused based on the student’s disabling condition.

LPAC members shall meet in conjunction with ARD committee members to review and provide recommendations with regard to the educational needs of each emergent bilingual student who qualifies for services in the special education program.

19 TAC 89.1230.

Sec. 6. Cooperation Among Districts

Education Code 29.056(g).

a) *Notice to Parents*

Richard Milburn Academy shall notify the student's parent in writing of the student's reclassification as English proficient and his or her exit from the bilingual education or English as a second language program and acquire written approval as required under Education Code 29.056(a). Students meeting exit requirements who have been recommended for exit by the LPAC may only exit the bilingual education or ELS program with parental approval. Parental approval is also required for students participating in a dual language immersion program who have met reclassification criteria and for whom the LPAC has recommended continued program participation as an English proficient student. *19 TAC 89.1240(b)*.

b) *Evaluation of Transferred Students and Reenrollment*

The LPAC committee shall reevaluate a student who is transferred out of a bilingual education or special language program if the student earns a failing grade in a subject in the foundation curriculum during any grading period in the first two school years after the student is transferred to determine whether the student should be reenrolled in a bilingual education or special language program.
