6.1 NONDISCRIMINATION

Sec. 1. NONDISCRIMINATION POLICY

No qualified student with a disability shall, on the basis of disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any service, program, or activity provided or offered by Richard Milburn Academy. 42 U.S.C. § 12132; 29 U.S.C. § 794(a); 34 C.F.R. § 104.4(a).

SEC. 2. FREE APPROPRIATE PUBLIC EDUCATION

Eligible students with disabilities shall enjoy the right to a free appropriate public education (“FAPE”), which may include instruction in the regular classroom, instruction through special teaching, or instruction through approved contracts. Instruction shall be supplemented by the provision of related services when appropriate. Tex. Educ. Code § 29.003(a).

FAPE means special education and related services that:

1. Have been provided at public expense, under public supervision and direction, and without charge;
2. Meet standards set out by Texas Education Agency (“TEA”);
3. Include an appropriate preschool, elementary school, or secondary school education; and
4. Are provided in conformity with the student’s individualized education program (IEP).

20 U.S.C. § 1401(9); 34 C.F.R. § 300.13, 300.17, 300.36.

Sec. 3. Least Restrictive Environment

Richard Milburn Academy shall ensure that, to the maximum extent possible, children with disabilities shall be educated with children who are not disabled. Special classes, special schooling, or other removal of children with disabilities from the regular educational environment shall occur only when the nature or severity of the child’s disability is such that education in regular classes with the use of supplementary aids and services cannot be satisfactorily achieved. 20 U.S.C. § 1412(a)(5); 34 C.F.R. § 300.114(a)(2).

Sec. 4 Discipline

All disciplinary actions regarding students with disabilities shall be determined in accordance with applicable federal regulations, Texas Education Code Chapter 37, and 19 TEX. ADMIN. CODE § 89.1053. 19 TEX. ADMIN. CODE § 89.1050(g).

SEC. 5 INSTRUCTIONAL ARRANGEMENTS AND SETTINGS

Instructional arrangements and settings shall be based on the individual needs and IEPs of eligible students receiving special education services. Instructional arrangements and settings include:

1. Mainstream: services provided in the regular classroom in accordance with the student's IEP;
2. Homebound: services provided at home or hospital bedside;
3. Hospital class: services provided in a classroom, hospital facility, or residential care and treatment facility not operated by Richard Milburn Academy;

5. Resource room/services: services provided in a setting other than the regular classroom for less than 50% of the regular school day;
6. Self-contained (mild, moderate, or severe) regular campus: services provided to a student who is in a self-contained program for 50% or more of the regular school day on a regular school campus;
7. Off home campus: services provided in an interdistrict program, through Richard Milburn Academy personnel in a non-Richard Milburn Academy facility, or at a Richard Milburn Academy campus that provides only special education and related services.
8. Nonpublic day school: services provided through a contractual agreement with a nonpublic school;
9. Vocational adjustment class/program: services provided to a student who is placed on a job with regularly scheduled direct involvement by special education personnel in the implementation of the student's IEP;

11. State supported living center: services provided to a student who resides at a state supported living center when the services are provided at the state supported living center location;
or
12. Other program options, including contracts with other districts and programs approved by TEA.

19 TEX. ADMIN. CODE § 89.63(c), (f).

SEC. 6 RELATED SERVICES

“Related services” means transportation, and such developmental, corrective, and other supportive services as may be required to assist a child with a disability to benefit from special education, including the early identification and assessment of disabling conditions in children.

The term includes speech-language pathology and audiology services, interpreting services, psychological services, physical and occupational therapy, recreation, including therapeutic recreation, social work services, school nurse services designed to enable a child with a disability to receive a FAPE as described in the child's IEP, counseling services, including rehabilitation counseling, orientation and mobility services, and medical services, except that medical services shall be for diagnostic and evaluation purposes only.

The term does not include a medical device that is surgically implanted, the optimization of the device's functioning, or the replacement of such device. 20 U.S.C. § 1401(26); 34 C.F.R. § 300.34.

6.2 ADMINISTRATION

SEC. 1. APPLICABILITY OF TEXAS EDUCATION CODE

An open-enrollment charter school is subject to a prohibition, restriction, or requirement, as applicable, imposed by Title 2 (Public Education) of the Tex. Educ. Code, or a rule adopted under Title 2 (Public Education) of the Tex. Educ. Code relating to special education programs. (TEX. EDUC. CODE § 12.104(b)(2)(F)).

Richard Milburn Academy shall comply with the requirements for monitoring compliance with federal and state laws relating to special education pursuant to Tex. Educ. Code § 29.010.

SEC. 2. ASSURANCE

Open-enrollment charter schools must submit a plan to the Texas Education Agency that provides assurances that the charter school has in effect policies, procedures and programs that are consistent with the State and Federal policies and procedures governing special education. (20 U.S.C. §1413(a); 34 C.F.R. §§ 300.200-.201)

SEC. 3. PUBLIC EDUCATION INFORMATION MANAGEMENT SYSTEM (PEIMS)

“Most of the data TEA requests from school districts and charter schools are gathered using the Public Education Information Management System (“PEIMS”). PEIMS data are used for the Academic Excellence Indicator System (“AEIS”), Foundation School Program (“FSP”), statistical purposes, federal reporting, legislative requests, and audit purposes. Through PEIMS, schools report data including student demographic and academic performance, student attendance, personnel information, financial data, and organizational information.” *Texas Open-Enrollment Charter School Handbook, p. 46* (TEA, Division of Charter School Administration, September 2011).

SEC. 4. APPLICABILITY OF TITLE RELATING TO THE PEIMS

An open-enrollment charter school is subject to a prohibition, restriction, or requirement, as applicable, imposed by Title 2 (Public Education) of the Tex. Educ. Code, or a rule adopted under Title 2 (Public Education) of the Tex. Educ. Code, relating to the PEIMS to the extent necessary to monitor compliance with Subchapter D (Open-Enrollment Charter School), Chapter 12, Tex. Educ. Code. (TEX. EDUC. CODE §12.104(b)(2)(A)).

The Superintendent or designee shall prepare required PEIMS submissions in accordance with PEIMS Data Standards and Module 10 of the Financial Accountability System Resource Guide. The Superintendent or designee may collaborate with the regional education service center in preparing and timely submitting PEIMS reports.

SEC. 5. CONTRACTS FOR SERVICES; RESIDENTIAL PLACEMENT

Richard Milburn Academy may contract with a public or private facility, institution, or agency inside or outside of this State for the provision of services to students with disabilities. Each

contract for residential placement must be approved by the Commissioner. The Commissioner may approve a residential placement contract only after at least a programmatic evaluation of personnel qualifications, adequacy of physical plant and equipment, and curriculum content. The Commissioner may approve either the whole or a part of a facility or program. (TEX. EDUC. CODE §29.008(a)).

When a student, including one for whom the State is managing conservator, is placed primarily for care or treatment reasons in a private residential facility that operates its own private education program, none of the costs may be paid from public education funds. If a residential placement primarily for care or treatment reasons involves a private residential facility in which the education program is provided by the open-enrollment charter school, the portion of the costs that includes appropriate education services, as determined by the admission, review, and dismissal (“ARD”) committee, shall be paid from State and Federal education funds. (TEX. EDUC. CODE § 29.008(c)).

If Richard Milburn Academy contracts for the provision of education services rather than providing the services, Richard Milburn Academy shall oversee the implementation of the student’s individualized education program (“IEP”) and shall annually reevaluate the appropriateness of the arrangement. An approved facility, institution, or agency with whom Richard Milburn Academy contracts shall periodically report to Richard Milburn Academy on the services the student has received or will receive in accordance with the contract as well as diagnostic or other evaluative information that Richard Milburn Academy requires in order to fulfill its obligations under Subchapter A (Special Education), Chapter 29, Tex. Educ. Code. (TEX. EDUC. CODE § 29.008(d)).

SEC. 6. FACILITIES

Any construction of new facilities or alteration of existing facilities with authorized Individuals with Disabilities Education Act (“IDEA”) program funds must comply with the requirements of:

- Appendix A of Part 36 of Title 28, Code of Federal Regulations (commonly known as the *Americans with Disabilities Accessibility Guidelines for Buildings and Facilities*); and
- Appendix A of Subpart 101-19.6 of Title 41, Code of Federal Regulations (commonly known as the *Uniform Federal Accessibility Standards*).

SEC. 7. ADMINISTRATION OF EQUIPMENT

The ARD committee must consider whether the student needs assistive technology devices (“ATDs”) as part of the student’s special education, related services, or supplementary aids and services. On a case-by-case basis, the use of school-purchased ATDs in the student’s home or in other settings is required if the student’s ARD committee determines that the student needs access to those devices in order to receive free appropriate public education. (34 C.F.R. §§ 300.105; 300.324(a)(2)(v); 20 U.S.C. § 1414(d)(3)(B)(v)).

Assistive technology means any device or equipment used to improve or maintain the function capabilities of a student with a disability. Assistive technology does not include a medical device that is surgically implanted. (34 C.F.R. §§ 300.5-300.6).

Richard Milburn Academy may transfer an ATD in accordance with TEX. EDUC. CODE, § 30.0015. The transfer agreement must include the standards in TEX. EDUC. CODE § 30.0015, including the following:

- 1) The transferor and transferee must represent and agree that the terms of the transfer are based on the fair market value of the ATD, determined in accordance with generally accepted accounting principles.
- 2) The informed consent of the parent of the student with a disability, or the adult student, for whom the ATD is being transferred must be obtained before the transfer of an ATD pursuant to TEX. EDUC. CODE § 30.0015. The procedures employed by Richard Milburn Academy in obtaining informed consent shall be consistent with the procedures employed by the school to obtain parental consent under 34 C.F.R. § 300.300. Consistent with 34 C.F.R., § 300.505(c), informed parental or adult student consent need not be obtained if the school can demonstrate that it has taken reasonable measures to obtain that consent, and the student’s parent or the adult student has failed to respond. To meet the reasonable measures requirement, the school must use procedures consistent with those described in 34 C.F.R. § 300.322(d).
- 3) If the transfer is a sale, then the sale of the ATD shall be evidenced by a “Uniform Transfer Agreement” which includes the following:
 - a. the names of the transferor and the transferee (which may be any individual or entity identified in TEX. EDUC. CODE, § 30.0015(b));
 - b. the date of the transfer;
 - c. a description of the ATD being transferred;
 - d. the terms of the transfer (including the transfer of warranties, to the extent applicable); and
 - e. the signatures of authorized representatives of both transferor and transferee.

(19 TEX. ADMIN. CODE § 89.1056).

SEC. 8. SPECIAL EDUCATION TEACHER DEFINED

When used with respect to any public elementary school or secondary school special education teacher teaching in a State, such term means that—the teacher has obtained full State certification as a special education teacher (including certification obtained through alternative routes to certification), or passed the State special education teacher licensing examination, and holds a license to teach in the State as a special education teacher, except that when used with respect to any teacher teaching in a public charter school, the term means that the teacher meets the requirements set forth in the State’s public charter school law.

**SEC. 9. COMPLIANCE WITH FEDERAL AND STATE PERSONNEL STANDARDS FOR INDIVIDUALS
SERVING CHILDREN WITH DISABILITIES**

Richard Milburn Academy shall ensure that personnel standards for all individuals serving children with disabilities are met in accordance with the IDEA and its procedures.

Richard Milburn Academy recognizes that both the Every Student Succeeds Act “ESSA” and the IDEA provide that charter school teachers must meet the requirements set forth in the State’s public charter school law. 20 U.S.C. §§ 6311(g)(2)(J); 20 U.S.C. § 1401(10)(B)(i). In Texas, that means that the charter school special education teacher must be certified.

Richard Milburn Academy shall make an ongoing good-faith effort to recruit and hire appropriately and adequately certified and/or licensed personnel to provide a wide range of special education and related services to students with disabilities who are eligible for special education services. Special education staffing needs come from the individualized decisions made by the ARD committee.

Richard Milburn Academy shall ensure that all personnel necessary to carry out the requirements of the IDEA are appropriately and adequately certified and/or licensed, prepared and assigned.

Richard Milburn Academy adopts as policy the provisions under State and Federal law concerning personnel, including:

Charter school teachers must only meet the requirements of the State’s public charter school law, which differ from the requirements for Texas teacher certification. In Texas, State law does not require a teacher employed by an open-enrollment charter school to be certified unless the teacher is assigned to teach in special education or bilingual education programs, in which case the appropriate State certification is required. The minimum qualification under State law for a teacher at an open-enrollment charter school, other than a special education or bilingual education teacher, is a bachelor’s degree. However, the governing body of Richard Milburn Academy may set the qualifications for teachers at a standard above what State law requires.

The open-enrollment charter school shall not employ a person as a teacher unless that person holds a bachelor’s degree. (TEX. EDUC. CODE § 12.129(a)). In an open-enrollment charter school that serves youth referred to or placed in a residential trade center by a local or state agency, a person may be employed as a teacher for a noncore vocational course without holding a baccalaureate degree if the person has demonstrated subject matter expertise related to the subject taught, such as professional work experience, formal training and education, holding a relevant active professional industry license, certification, or registration, or any combination of work experience, training and education, and industry license, certification, or registration, and received at least 20 hours of classroom management training as determined by the governing body of the open-enrollment charter school. (TEX. EDUC. CODE § 12.129(b)).

All special education and related service personnel shall be certified, endorsed, or licensed in the area or areas of assignment in accordance with 34 C.F.R. § 300.156; TEX. EDUC. CODE

§§ 21.002, 21.003, and 29.304; or appropriate state agency credentials. (19 TEX. ADMIN. CODE § 89.1131(a)).

SEC. 10. NOTICE TO PARENTS – QUALIFICATIONS

The Superintendent or designee shall provide to the parent or guardian of each student enrolled in Richard Milburn Academy written notice of the qualifications of each teacher employed by Richard Milburn Academy.

Additionally, the Superintendent or designee shall, at the beginning of each school year, notify the parents of each student attending Richard Milburn Academy that the parents may request, and Richard Milburn Academy shall provide the parents on request (and in a timely manner), information regarding the professional qualifications of the student’s classroom teachers, including, at a minimum, the following:

1. Whether the teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
2. Whether the teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived.
3. Whether the teacher is teaching in the field of discipline of the certification of the teacher.
4. Whether the student is provided services by paraprofessionals and, if so, their qualifications.

Richard Milburn Academy shall also provide timely notice to each individual parent or adult student that the student has been assigned, or has been taught for four or more consecutive weeks by, a teacher who does not meet applicable state certification standards or licensure requirements at the grade level and subject area in which the teacher has been assigned.

6.3 ADMISSION, REVIEW AND DISMISSAL COMMITTEE

SEC. 1. ADMISSION, REVIEW AND DISMISSAL COMMITTEES

Richard Milburn Academy shall establish an admission, review and dismissal (“ARD”) committee for each eligible student with a disability and for each student for whom a full and individual initial evaluation is conducted. The ARD committee shall be the individualized education program (“IEP”) team defined at 34 C.F.R. § 300.321.

SEC. 2. ARD COMMITTEE RESPONSIBILITIES

The ARD committee and Richard Milburn Academy are responsible for:

5. Evaluating, reevaluating, and determining eligibility for special education and related services;
6. Placement of students with disabilities, including disciplinary changes in placement;
7. Development of student IEPs;
8. Development and implementation of service plans for students who have been placed by their parents in private schools and who have been designated to receive special education and related services;
9. Compliance with the least restrictive environment standard;
10. Compliance with state requirements for reading diagnosis and state assessments;
11. Development of personal graduation plans;

The committee shall review each student's IEP periodically, and, if appropriate, revise the IEP. A meeting must be held for this purpose at least once a year. The ARD committee must also determine the child's placement once per year.

A meeting does not include informal or unscheduled conversations involving Richard Milburn Academy personnel and conversations on issues such as teaching methodology, lesson plans, or coordination of service provision. A meeting also does not include preparatory activities that Richard Milburn Academy personnel engage in to develop a proposal or response to a parent proposal that will be discussed at a later meeting. 20 U.S.C. § 1414(d)(4); 34 C.F.R. §§ 300.116(b)(1), 300.324(b), (c)(1); 300.501(b)(3).

d) Military Dependents

Richard Milburn Academy shall initially provide comparable services to a military student with disabilities based on his or her current IEP. SEC. 7. ELIGIBILITY DETERMINATIONS

Upon completion of the administration of assessments and other evaluation measures, a team of qualified professionals and the parent shall make the determination of whether the child has a disability and of the educational needs of the child.

Richard Milburn Academy shall provide a copy of the evaluation report and the documentation of determination of eligibility at no cost to the parent. 20 U.S.C. § 1414(b)(4)(B); 34 C.F.R. § 300.306(a).

The ARD committee must make its decisions regarding a student's initial eligibility determination and, if appropriate, IEP and placement within 30 calendar days from the date of the completion of the written full individual and initial evaluation report. If the 30th day falls during the summer and school is not in session, the student's ARD committee has until the first day of classes in the fall to finalize decisions concerning the student's initial eligibility determination, IEP, and placement, unless the full individual and initial evaluation indicates that the student will need extended school year ("ESY") services during that summer.

When a report is provided to a parent not later than June 30 as described at Timeframe for Completion of Written Report, above, the ARD committee must meet not later than the 15th school day of the following school year to consider the evaluation. If, however, an evaluation indicates that a student will need ESY services, the ARD committee must meet as expeditiously as possible. 19 TEX. ADMIN. CODE § 89.1011(d), (e).

SEC. 8. INDIVIDUALIZED EDUCATION PROGRAM

Richard Milburn Academy shall develop, review, and revise an IEP for each child with a disability. 20 U.S.C. § 1412(a)(4); 34 C.F.R. § 300.320(a).

10. Beginning not later than the first IEP to be in effect when the child is 16, or younger if determined appropriate by the ARD committee, and updated annually thereafter, a statement of appropriate, measurable postsecondary goals and transition services needed to assist the child in reaching those goals; and
11. Beginning not later than one year before the child reaches the age of 17, a statement that the child has been informed of the rights that will transfer to the child upon reaching the age of majority.

TEX. EDUC. CODE § 29.005(d).

SEC. 10. AUTISM/PERVASIVE DEVELOPMENTAL DISORDERS

For students with autism/pervasive developmental disorders, the following strategies shall be considered by the ARD committee, based on peer-reviewed, research-based educational programming practices to the extent practicable and, when needed, addressed in the IEP:

9. Social skills supports and strategies based on social skills assessment/curriculum and provided across settings;
10. Professional educator/staff support; and

If the ARD committee determines that services are not needed in one or more of the areas in 1–11 above, the IEP shall include a statement reflecting that decision and the basis upon which the determination was made. 19 TEX. ADMIN. CODE § 89.1055(e)–(f).

SEC. 11. VISUAL IMPAIRMENT

Richard Milburn Academy shall adopt written procedures as required in Tex. Educ. Code § 30.002(c)(10) for providing special education services to students with visual impairments, if such services are necessary. 19 TEX. ADMIN. CODE § 89.1075(b).

An IEP for a student with a visual impairment must include instruction in braille unless the student's ARD committee determines and documents that braille is not an appropriate literacy medium for the student, based on an evaluation of the student's appropriate literacy media and literacy skills and the student's current and future instructional needs. Tex. Educ. Code § 30.002.

SEC. 12. STUDENTS WHO ARE DEAF OR HARD OF HEARING

Richard Milburn Academy must develop an IEP for students who are deaf or hard of hearing in which the students have an education in which their unique communication mode is respected, used, and developed to an appropriate level of proficiency. Tex. Educ. Code § 29.303.

SEC. 13. COLLABORATIVE PROCESS

All members of the ARD committee shall have the opportunity to participate in a collaborative manner in developing the IEP. Decisions concerning the required elements of the IEP shall be made by agreement of the required members, if possible. The ARD committee may agree to an annual IEP or an IEP of shorter duration.

a) Recess

When agreement about all required elements of the IEP is not achieved, the parent or adult student who disagrees shall be offered a single opportunity to have the ARD committee recess for a period not to exceed ten school days. This recess is not required when:

1. The student's presence on campus represents a danger of physical harm to the student or others;
2. The student has committed an expellable offense; or
3. The student has committed an offense that may lead to placement in a disciplinary alternative education program.

These requirements do not prohibit the members of the ARD committee from recessing an ARD committee meeting for reasons other than failure of the parents and Richard Milburn Academy to reach agreement about all required elements of an IEP.

During the recess, the ARD committee members shall consider alternatives, gather additional data, prepare further documentation, and/or obtain additional resource persons to enable the ARD committee to reach agreement.

The date, time, and place for continuing the ARD committee meeting shall be determined by agreement before the recess.

b) No Agreement Reached

If, after the ten-day recess, the ARD committee still cannot reach agreement, Richard Milburn Academy shall implement the IEP that it has determined to be appropriate for the student. A written statement of the basis for the disagreement shall be included in the IEP. The ARD committee members who disagree shall be offered the opportunity to write their own statements.

When Richard Milburn Academy implements an IEP with which the parents, or an adult student disagree, it shall provide prior written notice in compliance with applicable regulations and Richard Milburn Academy policy.

19 TEX. ADMIN. CODE § 89.1050.

SEC. 14. IEP MODIFICATION

Changes to an IEP may be made either by the entire ARD committee or by amending the IEP by agreement, rather than redrafting the entire IEP.

After the annual IEP meeting for a school year, the parent and Richard Milburn Academy may agree not to convene an IEP meeting for the purposes of making changes to the IEP and instead may develop a written document to amend or modify the child's current IEP.

Upon request, a parent shall be provided with a revised copy of the IEP with amendments incorporated.

To the extent possible, Richard Milburn Academy shall encourage the consolidation of reevaluation meetings for the child and other ARD committee meetings for the child. 20 U.S.C. § 1414(d)(3)(D)–(F); 34 C.F.R. § 300.324(a)(4)–(a)(6).

Richard Milburn Academy shall ensure that, to the maximum extent possible, children with disabilities shall be educated with children who are not disabled. Special classes, special schooling,

or other removal of children with disabilities from the regular educational environment shall occur only when the nature or severity of the child’s disability is such that education in regular classes with the use of supplementary aids and services cannot be satisfactorily achieved. 20 U.S.C. § 1412(a)(5); 34 C.F.R. § 300.114(a)(2).

SEC. 16. EXTENDED SCHOOL YEAR SERVICES

Richard Milburn Academy shall ensure that ESY services are available as necessary to provide a student with a disability with a FAPE.

ESY services must be provided only if the ARD committee determines, on an individual basis, that the services are necessary for a FAPE. Richard Milburn Academy may not limit ESY services to particular categories of disability or unilaterally limit the type, amount, or duration of ESY services. 34 C.F.R. § 300.106; 19 TEX. ADMIN. CODE § 89.1065.

A student’s ARD committee shall determine if the student will be required to meet satisfactory performance on an assessment for purposes of graduation. 19 TEX. ADMIN. CODE § 101.3023(a).

SEC. 18. STATE ASSESSMENTS

The TEA shall develop or adopt appropriate criterion-referenced alternative assessment instruments to be administered to each student in a special education program for whom a state assessment instrument adopted under Tex. Educ. Code § 39.023(a), even with allowable accommodations, would not provide an appropriate measure of student achievement, as determined by the student’s ARD committee, including assessment instruments approved by the Commissioner that measures growth. The assessment instruments developed or adopted, including the assessment instruments approved by the Commissioner, must, to the extent allowed under federal law, provide a district with options for the assessment of students.

The TEA may not adopt a performance standard that indicates that a student’s performance on the alternate assessment does not meet standards if the lowest level of the assessment accurately represents the student’s developmental level as determined by the student’s ARD committee.

The student’s ARD committee shall determine whether any allowable modification is necessary in administering to the student a required end-of-course (“EOC”) assessment instrument under Tex. Educ. Code § 39.023(c), and whether the student is required to achieve satisfactory performance on an EOC assessment instrument to receive a high school diploma.

SEC. 19. TRANSPORTATION

Richard Milburn Academy shall provide special transportation with federal funds only when the ARD committee determines that the condition of the student warrants the service in order for the student to receive the special education and related services (if any) set forth in the IEP. 19 TEX. ADMIN. CODE § 89.1096(e).

Upon request, Richard Milburn Academy shall provide a printed copy of the guide to a student or parent. Tex. Educ. Code § 29.0112.

c) Graduation

Graduation with a regular high school diploma under 19 TEX. ADMIN. CODE § 89.1070(b)(1), (b)(2)(D), (f)(1), (f)(2), or (f)(3)(D) terminates a student's eligibility for special education services. 6.11 DISCIPLINE, RESTRAINT AND TIME-OUT

SEC. 1. SPECIAL EDUCATION STUDENTS

Except as set forth below, the placement of a student with a disability who receives special education services may be made only by a duly constituted admission, review, and dismissal (“ARD”) committee. Any disciplinary action regarding the student shall be determined in accordance with federal law and regulations.

SEC. 2. REMOVAL FOR TEN DAYS OR LESS

A student with a disability who violates the Richard Milburn Academy Student Code of Conduct may be moved from his or her current placement to an appropriate interim alternative educational setting, another setting, or suspension, for not more than ten consecutive school days, to the extent those alternatives are applied to children without disabilities. However, Richard Milburn Academy must not exceed 10 cumulative days within a school year without first holding a Manifestation Determination Review (“MDR”).

a) Services During Removal

Richard Milburn Academy is required to provide services during the period of removal if Richard Milburn Academy provides services to a child without disabilities who is similarly removed.

SEC. 3. SUBSEQUENT REMOVALS OF TEN DAYS OR LESS

Richard Milburn Academy personnel may remove the student for additional removals of not more than ten consecutive school days in that same school year for separate incidents of misconduct, as long as those removals do not constitute a change in placement.

b) Services During Removal

After a student has been removed from his or her current placement for ten school days in the same school year, during any subsequent removal of ten consecutive school days or less, school personnel, in consultation with at least one of the student’s teachers, shall determine the extent to which services are needed so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the student’s individualized education program (“IEP”).

SEC. 4. NOTICE OF PROCEDURAL SAFEGUARDS

Not later than the date on which the decision to take the disciplinary action is made, Richard Milburn Academy shall notify the student’s parents or adult student of the decision and of all procedural safeguards.

SEC. 5. CHANGES IN PLACEMENT

Any disciplinary action that would constitute a change in placement may be taken only after the student’s ARD committee conducts a manifestation determination review.

For purposes of disciplinary removal of a student with a disability, a change in placement occurs if a student is:

6.11.1 Removed from the student's current educational placement for more than ten consecutive school days; or

6.11.2 Subjected to a series of removals that constitute a pattern because:

6.11.2.1 The series of removals total more than ten school days in a school year;

6.11.2.2 The student's behavior is substantially similar to the student's behavior in the previous incidents that resulted in the series of removals; and

6.11.2.3 Additional factors exist, such as the length of each removal, the total amount of time the student is removed, and the proximity of the removals to one another.

Richard Milburn Academy determines, on a case-by-case basis, whether a pattern of removals constitutes a change in placement. Richard Milburn Academy's determination is subject to review through due process and judicial proceedings.

Richard Milburn Academy personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a student who violates the Student Code of Conduct.

SEC. 6. MANIFESTATION DETERMINATION

Within ten school days of any decision to change the placement of a student because of a violation of the Student Code of Conduct, Richard Milburn Academy, parents or adult student, and relevant members of the ARD committee (as determined by the parent and Richard Milburn Academy) shall provide procedural safeguards to the parent or adult student and shall review all relevant information in the student's file, including the student's IEP, any teacher observations, and any relevant information provided by the parents to determine whether the conduct in question was:

1. Caused by, or had a direct and substantial relationship to, the student's disability; or
2. The direct result of Richard Milburn Academy's failure to implement the IEP.

If Richard Milburn Academy, the parent or adult student, and relevant members of the ARD committee determine that either of the above is applicable, the conduct shall be determined to be a manifestation of the student's disability.

a) Not a Manifestation

If the determination is that the student's behavior was not a manifestation of the student's disability, school personnel may apply the relevant disciplinary procedures to the student in the same manner and for the same duration as for students without disabilities. The ARD committee shall determine the interim alternative educational setting.

i. Services During Removal

The student must:

1. Continue to receive educational services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals in the student's IEP.
2. Receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur.

These services may be provided in an interim alternative educational setting.

b) Manifestation

If Richard Milburn Academy, the parents, and relevant members of the ARD committee determine that the conduct was a manifestation of the student's disability, the ARD committee shall:

1. Conduct a functional behavioral assessment ("FBA"), unless Richard Milburn Academy had conducted an FBA before the behavior that resulted in the change in placement occurred, and implement a behavioral intervention plan ("BIP") for the student; or
2. If a BIP has already been developed, review the BIP and modify it, as necessary, to address the behavior.

Except as provided for Special Circumstances, below, the ARD committee shall return the student to the placement from which the student was removed, unless the parent, and Richard Milburn Academy agree to a change in placement as part of the modification of the BIP.

i. Special Circumstances

Richard Milburn Academy personnel may remove a student to an interim alternative educational setting for not more than 45 school days without regard to whether the behavior is determined to be a manifestation of the student's disability, if the student:

1. Carries or possesses a weapon to or at school, on school premises, or to or at a school function under the jurisdiction of Texas Education Agency (the "TEA") or Richard Milburn Academy; or
2. Knowingly possesses or uses illegal drugs or sells or solicits the sale of a controlled substance while at school, on school premises, or at a school function under the jurisdiction of the TEA or Richard Milburn Academy;
3. Has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction of the TEA or Richard Milburn Academy.

The ARD committee shall determine the interim alternative education setting.

c) Services During Removal

The student must:

1. Continue to receive educational services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals in the student's IEP.
2. Receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur.

These services may be provided in an interim alternative educational setting.

SEC. 7. APPEALS

A parent who disagrees with a placement decision or the manifestation determination may request a hearing. Additionally, Richard Milburn Academy may request a hearing if it believes that maintaining a current placement of a student is substantially likely to result in injury to the student or others.

a) Placement During Appeals

When an appeal has been requested by a parent or Richard Milburn Academy, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the student's assignment to the alternative setting, whichever occurs first, unless the parent and Richard Milburn Academy agree otherwise.

SEC. 8. REPORTING CRIMES

Federal law does not prohibit Richard Milburn Academy from reporting a crime committed by a student with a disability to appropriate authorities. If Richard Milburn Academy reports a crime, Richard Milburn Academy shall ensure that copies of the special education and disciplinary records of the student are transmitted for consideration by the appropriate authorities to whom Richard Milburn Academy reported the crime. Richard Milburn Academy may transmit records only to the extent permitted by the Family Educational Rights and Privacy Act ("FERPA").

SEC. 9. STUDENTS NOT YET IDENTIFIED

A student who has not been determined to be eligible for special education and related services and who has engaged in behavior that violated the Student Code of Conduct may assert any of the protections provided for in the Individuals with Disabilities Education Act if Richard Milburn Academy had knowledge that the student had a disability before the behavior that precipitated that disciplinary action occurred.

a) School Knowledge

Richard Milburn Academy shall be deemed to have knowledge that a student has a disability if, before the behavior that precipitated the disciplinary action occurred:

1. The parent of the student expressed concern in writing to Richard Milburn Academy supervisory or administrative personnel, or to the teacher of the student, that the student was in need of special education and related services;
2. The parent requested an evaluation of the student for special education and related services; or
3. The student's teacher, or other Richard Milburn Academy personnel, expressed specific concerns about a pattern of behavior demonstrated by the student directly to the special education director or to other Richard Milburn Academy supervisory personnel.

b) Exception

Richard Milburn Academy shall not be deemed to have knowledge that the student had a disability if:

1. The parent has not allowed an evaluation of the student;
2. The parent has refused services; or
3. The student has been evaluated and it was determined that the student did not have a disability.

If Richard Milburn Academy does not have knowledge, before taking disciplinary measures, that a student has a disability, the student may be subjected to the same disciplinary measures applied to students without disabilities who engaged in comparable behaviors.

However, if a request is made for an evaluation during the time period in which the student is subjected to disciplinary measures, the evaluation shall be conducted in an expedited manner. Until the evaluation is completed, the student shall remain in the educational placement determined by school authorities, which can include suspension or expulsion without educational services.

SEC. 10. BEHAVIOR MANAGEMENT TECHNIQUES

It is Richard Milburn Academy's policy to treat all students with dignity and respect, including students with disabilities who receive special education services. Any behavior management technique and/or discipline management practice must be implemented in such a way as to protect the health and safety of the student and others. No discipline management practice may be calculated to inflict injury, cause harm, demean, or deprive the student of basic human necessities.

a) Exceptions

Tex. Educ. Code § 37.0021 (regarding use of confinement, seclusion, restraint, and time-out) does not apply to:

1. A peace officer, while performing law enforcement duties; and
2. An educational services provider with whom a student is placed by a judicial authority, unless the services are provided in a Richard Milburn Academy educational program.

Further, Tex. Educ. Code § 37.0021 does not prevent a student’s locked, unattended confinement in an emergency situation while awaiting the arrival of law enforcement personnel if:

1. The student possesses a weapon; and
2. The confinement is necessary to prevent the student from causing bodily harm to the student or another person.

For these purposes, “weapon” includes any weapon described under Tex. Educ. Code § 37.007(a)(1).

SEC. 11. CONFINEMENT

A student with a disability who receives special education services may not be confined in a locked box, locked closet, or other specially designed locked space as either a discipline management practice or a behavior management technique.

SEC. 12. SECLUSION

A Richard Milburn Academy employee or volunteer or an independent contractor of Richard Milburn Academy may not place a student in seclusion. “Seclusion” means a behavior management technique in which a student is confined in a locked box, locked closet, or locked room that:

1. Is designed solely to seclude a person; and
2. Contains less than 50 square feet of space.

SEC. 13. RESTRAINT

A Richard Milburn Academy employee, volunteer, or independent contractor may use restraint only in an emergency and with the following limitations:

1. Restraint shall be limited to the use of such reasonable force as is necessary to address the emergency.
2. Restraint shall be discontinued at the point at which the emergency no longer exists.
3. Restraint shall be implemented in such a way as to protect the health and safety of the student and others.
4. Restraint shall not deprive the student of basic human necessities.

“Restraint” means the use of physical force or a mechanical device to significantly restrict the free movement of all or a portion of a student’s body.

“Emergency” means a situation in which a student’s behavior poses a threat of:

1. Imminent, serious physical harm to the student or others; or
2. Imminent, serious property destruction.

a) Training

Training for Richard Milburn Academy employees, volunteers, or independent contractors regarding the use of restraint shall be provided according to the requirements set forth at 19 TEX. ADMIN. CODE § 89.1053(d).

b) Documentation

In a case in which restraint is used, Richard Milburn Academy employees, volunteers, or independent contractors shall implement the documentation requirements set forth at 19 TEX. ADMIN. CODE § 89.1053(e).

SEC. 14. TIME-OUT

A Richard Milburn Academy employee, volunteer, or independent contractor may use time-out with the following limitations.

1. Physical force or threat of physical force shall not be used to place a student in time-out.
2. Time-out may only be used in conjunction with an array of positive behavior intervention strategies and techniques and must be included in the student's IEP and/or BIP if it is utilized on a recurrent basis to increase or decrease targeted behavior.
3. Use of time-out shall not be implemented in a fashion that precludes the ability of the student to be involved in and progress in the general curriculum and advance appropriately toward attaining the annual goals specified in the student's IEP.

“Time-out” means a behavior management technique in which, to provide a student with an opportunity to regain self-control, the student is separated from other students for a limited period in a setting:

1. That is not locked; and
2. From which the exit is not physically blocked by furniture, a closed door held shut from the outside, or another inanimate object.

a) Training

Training for Richard Milburn Academy employees, volunteers, or independent contractors regarding the use of time-out shall be provided according to the requirements set forth at 19 TEX. ADMIN. CODE § 89.1053(h).

b) Documentation

Necessary documentation or data collection regarding the use of time-out, if any, must be addressed in the IEP or BIP. The ARD committee must use any collected data to judge the effectiveness of the intervention and provide a basis for making determinations regarding its continued use.

6.12 DISTRICT AND CAMPUS IMPROVEMENT PLANS

It is the policy of Richard Milburn Academy to annually conduct a comprehensive needs assessment and to develop district and campus improvement plans, if required by state and federal funding requirements.

6.13 DYSLEXIA

SEC. 1. DYSLEXIA AND RELATED DISORDERS

The Board shall ensure that procedures for identifying and providing appropriate instructional services to students for dyslexia and related disorders are implemented by Richard Milburn Academy. These procedures shall be implemented in accordance with the Texas Education Agency's *Dyslexia Handbook: Procedures Concerning Dyslexia and Related Disorders (Dyslexia Handbook)*.

SEC. 2. IDENTIFICATION AND TESTING

Screening and further evaluation should be done only by individuals or professionals who are trained in valid, evidence-based assessments and who are trained to appropriately evaluate students for dyslexia and related disorders.

Before an identification or assessment procedure is used selectively with an individual student, Richard Milburn Academy must notify the student's parent or guardian or another person standing in parental relation to the student.

A process for early identification, intervention, and support for students at risk for dyslexia and related disorders must be available, as outlined in the *Dyslexia Handbook*.

Richard Milburn Academy may not use early intervention strategies, including multi-tiered systems of support, to delay or deny the provision of a full and individual evaluation to a child suspected of having a specific learning disability, including dyslexia or a related disorder.

SEC. 3. TREATMENT

Richard Milburn Academy shall provide each identified student access at his or her campus to instructional programs and to the services of a teacher trained in dyslexia and related services. Richard Milburn Academy may, with the approval of each student's parents or guardians, offer additional services at a centralized location, so long as such centralized services do not preclude each student from receiving services at his or her campus.

a) Reading Program

Richard Milburn Academy shall purchase a reading program or develop its own reading program for students with dyslexia and related disorders that is aligned with the descriptors found in the *Dyslexia Handbook*.

Teachers who screen and treat these students must be trained in instructional strategies that utilize individualized, intensive, multi-sensory, phonetic methods and a variety of writing and spelling components described in the *Dyslexia Handbook*. The professional development activities specified by each school and/or campus planning committee shall include these instructional strategies.

b) Reassessment

Unless otherwise provided by law, a student determined to have dyslexia during testing or accommodated because of dyslexia may not be retested for dyslexia for the purpose of reassessing the student's need for accommodations until Richard Milburn Academy reevaluates the information obtained from previous testing of the student.

SEC. 4. PARENTAL NOTIFICATIONS

Richard Milburn Academy shall inform parents and guardians of students eligible under Section 504 of all services and options available to the student under that law. The notice must be in English, or to the extent practicable, the individual's native language and must include the following:

1. A reasonable description of the evaluation procedure to be used with the individual student;
2. Information related to any instructional intervention or strategy used to assist the student prior to evaluation;
3. An estimated time frame within which the evaluation will be completed; and
4. Specific contact information for the campus point of contact, relevant parent training and information projects, and other appropriate parent resources.

Parents and guardians of students with dyslexia or a related disorder must be informed of all services and options available to the student, including general education interventions under response to intervention and multi-tiered systems of support modules as required by Tex. Educ. Code § 26.0081.

SEC. 5. PARENT EDUCATION PROGRAM

Richard Milburn Academy shall develop and provide a parent education program for parents and guardians of students with dyslexia and related disorders. This program should include:

- Awareness of characteristics of dyslexia and related disorders;
- Information on testing and diagnosis of dyslexia;
- Information on effective strategies for teaching dyslexic students; and
- Awareness of information on modification, especially modifications allowed on standardized testing.

6.14 ELIGIBILITY CRITERIA

SEC. 1. ELIGIBILITY CRITERIA

A student that is at least three years old but not more than 21 years of age may be eligible for special education services. Through an evaluation, if a student is found to have a disability in one of the following categories, and has an educational need, they may be found eligible for special education:

1. Intellectual Disability;
2. Hearing impairment;
3. Visual Impairment;
4. Speech or Language impairment;
5. Emotional disturbance;
6. Orthopedic impairment;
7. Other health impairment;
8. Traumatic brain injury;
9. Deaf-blindness;
10. Specific Learning Disability;
11. Autism;
12. Developmental delay; or
13. Multiple Disabilities.

(34 C.F.R. § 300.008)

Additionally, a student is eligible to participate in Richard Milburn Academy's special education program if the student is not more than 21 years of age and has a visual or auditory impairment that prevents the student from being adequately or safely educated in public school without the provision of special services. (TEX. EDUC. CODE § 29.003).

SEC. 2. DETERMINING ELIGIBILITY

Following the completion of the full and individual initial evaluation, the student's admission, review, and dismissal ("ARD") committee must make an eligibility determination. The ARD committee members reviewing evaluations and data to determine eligibility must include a licensed specialist in school psychology ("LSSP"), an educational diagnostician, or other appropriately certified or licensed practitioner with experience, and a licensed or certified professional for a specific eligibility category defined below. (19 TEX. ADMIN. CODE § 89.1040).

When interpreting evaluation data for the purpose of determining if a student is a student with a disability under 34 C.F.R. § 300.8, and the educational needs of the student, Richard Milburn Academy shall:

1. Draw upon information from a variety of sources, including aptitude and achievement tests, parent input, and teacher recommendations, as well as information about the child's physical condition, social or cultural background, and adaptive behavior; and

2. Ensure that information obtained from all of these sources is documented and carefully considered.

If a student is determined to be a student with a disability and needs special education and related services, an individualized education program (“IEP”) must be developed for the student in accordance with 34 C.F.R. §§ 300.320 - 300.324. (34 C.F.R. § 300.306).

A student is not eligible for special education services through the evaluation, if a student is found to only need related services. A student cannot be found eligible for services if the determinant factor for that determination is lack of appropriate instruction in reading, including in the essential components of reading instruction, lack of appropriate instruction in math, or limited English proficiency. (34 C.F.R. § 300.306(b)).

For children aged three through nine, or any subset of that age range, may be a child with a disability if the student is:

1. experiencing developmental delays, as defined by the State and as measured by appropriate diagnostic instruments and procedures, in one or more of the following areas: Physical development, cognitive development, communication development, social or emotional development, or adaptive development; and
2. needs special education and related services.

(34 C.F.R. § 300.8(b)).

SEC. 3. INTELLECTUAL DISABILITY

A student qualifies as a student with an intellectual disability if the student has significantly sub-average general intellectual functioning, existing concurrently with deficits in adaptive behavior and manifested during the developmental period, that adversely affects a student’s educational performance. (34 C.F.R. § 300.8(c)(6); 19 TEX. ADMIN. CODE § 89.1040(c)(5)).

SEC. 4. SPEECH OR LANGUAGE IMPAIRMENT

A communication disorder, such as stuttering, impaired articulation, a language impairment, or a voice impairment, that adversely affects a child’s educational performance. The evaluation team shall include a certified speech and hearing therapist, a certified speech and language therapist, or a licensed speech/language pathologist. (34 C.F.R. § 300.8(c)(11); 19 TEX. ADMIN. CODE § 89.1040(c)(10)).

SEC. 5. EMOTIONAL DISTURBANCE

A student may be eligible for services as a student with an emotional disturbance if they exhibit one or more of the following characteristics over a long period of time and to a marked degree that adversely affects a child’s educational performance:

1. An inability to learn that cannot be explained by intellectual, sensory, or health factors;
2. An inability to build or maintain satisfactory interpersonal relationships with peers and

- teachers;
3. Inappropriate types of behavior or feelings under normal circumstances;
 4. A general pervasive mood of unhappiness or depression; or
 5. A tendency to develop physical symptoms or fears associated with personal or school problems.

Emotional disturbance includes schizophrenia, but does not include children who are socially maladjusted, unless it is determined that they have an emotional disturbance. A written evaluation must include recommendations for behavior intervention strategies. (34 C.F.R. § 300.8(c)(4); 19 TEX. ADMIN. CODE § 89.1040(c)(4)).

SEC. 6. ORTHOPEDIC IMPAIRMENT

A severe orthopedic impairment, including impairments caused by congenital anomaly, impairments caused by disease (e.g., poliomyelitis, bone tuberculosis), and impairments from other causes (e.g., cerebral palsy, amputations, and fractures or burns that cause contractures). If the impairment adversely impacts a student's educational performance, the student is eligible under this category. (34 C.F.R. § 300.8(c)(8); 19 TEX. ADMIN. CODE § 89.1040(10)).

The multidisciplinary team determining eligibility must include a licensed physician. (19 TEX. ADMIN. CODE § 89.1040(10)).

SEC. 7. OTHER HEALTH IMPAIRMENT (OHI)

A student with limited strength, vitality, or alertness, including a heightened alertness to environmental stimuli caused by chronic or acute health problems such as:

1. Asthma;
2. Attention Deficit Disorder or Attention Deficit Hyperactivity Disorder;
3. Diabetes;
4. Epilepsy;
5. Heart Condition;
6. Hemophilia;
7. Lead poisoning;
8. Leukemia;
9. Nephritis;
10. Rheumatic Fever;
11. Sickle Cell Anemia; or
12. Tourette Syndrome.

If the health condition limits alertness in the educational environment and adversely impacts a student's learning, he or she is eligible for OHI. In determining eligibility, Richard Milburn Academy shall include a licensed physician on the multidisciplinary team.

SEC. 8. TRAUMATIC BRAIN INJURY

An acquired injury to the brain caused by an external physical force, resulting in total or partial functional disability or psychosocial impairment, or both, that adversely affects a student's educational performance. Traumatic brain injury applies to open or closed head injuries resulting in impairments in one or more areas, such as cognition; language; memory; attention; reasoning; abstract thinking; judgment; problem-solving; sensory, perceptual, and motor abilities; psychosocial behavior; physical functions; information processing; and speech. Traumatic brain injury does not apply to brain injuries that are congenital or degenerative, or to brain injuries induced by birth trauma.

Richard Milburn Academy shall include a licensed physician, and a licensed specialist in school psychology (LSSP), an educational diagnostician, or other appropriately certified or licensed practitioner with experience and training in this area to review the data and determine eligibility. (19 TEX. ADMIN. CODE § 89.1040(11)).

SEC. 9. HEARING OR AUDITORY IMPAIRMENT AND DEAFNESS

A student with an impairment in hearing, whether permanent or fluctuating, that adversely affects a student's educational performance but is not included under the definition of deafness.

The student's evaluation must include an otological examination performed by an otologist or by a licensed medical doctor, with documentation that an otologist is not reasonably available. Richard Milburn Academy shall also conduct an audiological evaluation by a licensed audiologist. The evaluation must include a description of the implications of the hearing loss for the student's hearing in a variety of circumstances with or without recommended amplification. (34 C.F.R. § 300.8(c)(5); 19 TEX. ADMIN. CODE § 89.1040(c)(3)).

SEC. 10. DEAFNESS

Deafness is a hearing impairment that is so severe that the student is impaired in processing linguistic information through hearing, with or without amplification that adversely affects a student's educational performance. (34 C.F.R. § 300.8(c)(3)).

SEC. 11. VISUAL IMPAIRMENT INCLUDING BLINDNESS

An impairment in vision that, even with correction, adversely affects a student's educational performance. The term includes both partial sight and blindness. (34 C.F.R. § 300.8(c)(13)).

A student with a visual impairment is one who:

1. has been determined by a licensed ophthalmologist or optometrist to have no vision or to have a serious visual loss after correction; or to have a progressive medical condition that results in no vision or a serious visual loss after correction.
2. has been determined by the following evaluations to have a need for special services, including:

- a. a functional vision evaluation by a professional certified in the education of students with visual impairments or a certified orientation and mobility instructor. The evaluation must include the performance of tasks in a variety of environments requiring the use of both near and distance vision and recommendations concerning the need for a clinical low vision evaluation and an orientation and mobility evaluation; or
- b. a learning media assessment by a professional certified in the education of students with visual impairments. The learning media assessment must include recommendations concerning which specific visual, tactual, and/or auditory learning media are appropriate for the student and whether or not there is a need for ongoing evaluation in this area.

(19 TEX. ADMIN. CODE § 89.1040(12)(A)).

Through evaluation, Richard Milburn Academy should state the student’s visual loss in exact measures of visual field and corrected visual acuity at a distance and at close range in each eye by a licensed ophthalmologist or optometrist. The report should also include prognosis whenever possible. If exact measures cannot be obtained, the eye specialist must so state and provide best estimates.

A student that qualifies as a student with a visual impairment is considered functionally blind if, based on the preceding evaluations, the student will use tactual media (which includes Braille) as a primary tool for learning to be able to communicate in both reading and writing at the same level of proficiency as other students of comparable ability. (19 TEX. ADMIN. CODE § 89.1040(12)(B)).

SEC. 12. DEAF-BLINDNESS

A student is eligible under deaf-blindness if identified with hearing and visual impairments, the combination of which causes such severe communication and other developmental and educational needs that they cannot be accommodated in special education programs solely for students with deafness or students with blindness. (34 C.F.R. § 300.8(c)(2)).

In addition to the Individuals with Disabilities Education Act (“IDEA”) requirements, a student may be eligible if a student is found to:

1. meet the eligibility criteria for auditory impairment specified in subsection 19 TEX. ADMIN. CODE § 89.1040(c)(3) and visual impairment specified in subsection 19 TEX. ADMIN. CODE § 89.1040 (c)(12);
2. meet the eligibility criteria for a student with a visual impairment and has a suspected hearing loss that cannot be demonstrated conclusively, but a speech/language therapist, a certified speech and language therapist, or a licensed speech language pathologist indicates there is no speech at an age when speech would normally be expected;
3. have documented hearing and visual losses that, if considered individually, may not meet the requirements for auditory impairment or visual impairment, but the combination of such losses adversely affects the student's educational performance; or

4. have a documented medical diagnosis of a progressive medical condition that will result in concomitant hearing and visual losses that, without special education intervention, will adversely affect the student's educational performance.

(19 TEX. ADMIN. CODE § 89.1040(c)).

SEC. 13. SPECIFIC LEARNING DISABILITY

Specific learning disability includes a disorder in one or more of the basic psychological processes involved in understanding or in using language, spoken or written, that may manifest itself in the imperfect ability to listen, think, speak, read, write, spell, or to do mathematical calculations, including conditions such as perceptual disabilities, brain injury, minimal brain dysfunction, dyslexia, and developmental aphasia. (34 C.F.R. § 300.8(c)(10)).

In addition to being identified as having a disorder that impacts a basic psychological process, Richard Milburn Academy shall also show that the student does not achieve adequately for the student's age or meet state-approved grade-level standards in oral expression, listening comprehension, written expression, basic reading skill, reading fluency skills, reading comprehension, mathematics calculation, or mathematics problem solving when provided appropriate instruction, as indicated by performance on multiple measures such as in-class tests; grade average over time (e.g. six weeks, semester); norm- or criterion- referenced tests; statewide assessments; or a process based on the child's response to scientific, research-based intervention.

Richard Milburn Academy's evaluation must also show that the student:

1. does not make sufficient progress when provided a process based on the student's response to scientific, research-based intervention (as defined in 20 U.S.C. § 7801(37)), as indicated by the student's performance relative to the performance of the student's peers on repeated, curriculum-based assessments of achievement at reasonable intervals, reflecting student progress during classroom instruction; or
2. the student exhibits a pattern of strengths and weaknesses in performance, achievement, or both relative to age, grade-level standards, or intellectual ability, as indicated by significant variance among specific areas of cognitive function, such as working memory and verbal comprehension, or between specific areas of cognitive function and academic achievement.

(19 TEX. ADMIN. CODE § 89.1040(c)(9)).

A specific learning disability does not include learning problems that are primarily the result of visual, hearing, or motor disabilities, of mental retardation, of emotional disturbance, or of environmental, cultural, or economic disadvantage. (34 C.F.R. § 300.8(c)(10)).

Prior to identifying a student as one with a learning disability, Richard Milburn Academy shall ensure that the suspected disability is not due to lack of educational opportunity or lack of appropriate instruction. Richard Milburn Academy shall consider data that shows the student has received appropriate instruction in math and reading in the general education setting. Richard

Milburn Academy shall also consider documentation of repeated assessments of achievement at reasonable intervals, reflecting formal evaluation of student progress during instruction. This may include, but is not limited to, RTI progress results, in-class tests on grade-level curriculum, or other regularly administered assessments. Intervals are considered reasonable if consistent with the assessment requirements of a student's specific instructional program. (19 TEX. ADMIN. CODE § 89.1040(c)(9)).

SEC. 14. AUTISM

A student with autism is one that meets the criteria outlined in 34 C.F.R. § 300.8(c)(1) of the IDEA. It also includes students with pervasive developmental disorders. (19 TEX. ADMIN. CODE § 89.1040(c)(1)).

Under IDEA, autism is a developmental disability significantly affecting a student's verbal and nonverbal communication and social interactions that adversely affects a student's educational performance. Engagement in repetitive activities and stereotyped movements, resistance to environmental change or change in daily routines, and unusual responses to sensory experiences are often associated with autism. Characteristics of autism are generally evident before age three. A child who manifests the characteristics of autism after age three could be identified as having autism if the student meets the above criteria also defined in 34 C.F.R. § 300.8(c)(1)(i).

A student does not meet the eligibility category for autism if a student's educational performance is adversely affected primarily because the student has an emotional disturbance, as defined above and in 34 C.F.R. § 300.8(c)(4). (34 C.F.R. § 300.8(c)(1)).

The written evaluation determining eligibility under autism must include recommendations for behavior interventions. (19 TEX. ADMIN. CODE § 89.1040(c)(1)).

SEC. 15. MULTIPLE DISABILITIES

A student may qualify as a student with multiple disabilities if they are identified to have a combination of impairments (such as mental retardation-blindness or mental retardation-orthopedic impairment) and the combination causes such severe educational needs that they cannot be accommodated in special education programs solely for one of the impairments. Multiple disabilities does not include deaf-blindness. (34 C.F.R. § 300.8(c)(7)).

The impairments must be expected to continue indefinitely and the impairments must severely limit performance in two or more of the following:

1. psychomotor skills;
2. self-care skills;
3. communication;
4. social and emotional development, or
5. cognition.

A student who qualifies for more than one impairment, that does not severely impair performance in one of the above categories, or is not expected to continue indefinitely, does not qualify as a student with multiple disabilities. (19 TEX. ADMIN. CODE § 89.1040(c)(6)).

6.15 REFERRAL FOR POSSIBLE SPECIAL EDUCATION SERVICES

SEC. 1. REFERRAL FOR FULL AND INDIVIDUAL INITIAL EVALUATION

Referral of students for a full and individual initial evaluation for possible special education services shall be a part of Richard Milburn Academy's overall general education referral or screening system. Either a parent, the Texas Educational Agency ("TEA"), another state agency, or Richard Milburn Academy may initiate a request for an initial evaluation.

a) Obligation to Refer

Before referral, students experiencing difficulty in the general classroom should be considered for all support services available to all students. If a student continues to experience difficulty in the general classroom after the provision of interventions, Richard Milburn Academy personnel must refer the student for a full and individual initial evaluation. 20 U.S.C. § 1414(a)(1); 34 C.F.R. § 300.301; 19 TEX. ADMIN. CODE § 89.1011.

b) Parent or adult student Request

If a parent or adult student submits a written request for a full individual and initial evaluation of a student, Richard Milburn Academy shall, not later than the 15th school day after the date Richard Milburn Academy receives the request:

1. Provide the parent or adult student with prior written notice of its proposal to conduct an evaluation consistent with 34 C.F.R. § 300.503, a copy of the procedural safeguards notice required by 34 C.F.R. § 300.504, and an opportunity to give written consent for the evaluation; or
2. Provide the parent or adult student with prior written notice of its refusal to conduct an evaluation consistent with 34 C.F.R. § 300.503, and a copy of the procedural safeguards notice required by 34 C.F.R. § 300.504.

20 U.S.C. § 1414(a)(1); 34 C.F.R. § 300.301; 19 TEX. ADMIN. CODE § 89.1011(a), (b); TEX. EDUC. CODE § 29.004(c).

SEC. 2. NOTICE OF RIGHTS

Richard Milburn Academy shall provide written notice to a student's parent or guardian within a reasonable time before proposing or refusing to initiate the identification, evaluation, or educational placement of a student or the provision of a free appropriate public education ("FAPE"). 20 U.S.C. § 1415(b)(3); 34 C.F.R. § 300.503(a).

SEC. 3. INITIAL EVALUATION

Richard Milburn Academy shall conduct a full and individual initial evaluation before the initial provision of special education and related services. 20 U.S.C. § 1414(a)(1)(A).

Richard Milburn Academy shall ensure that evaluations of children who transfer from one district to another in the same academic year are coordinated with the children's prior and subsequent schools, as necessary and as expeditiously as possible, to ensure prompt completion of evaluations. 20 U.S.C. § 1414(b)(3)(D).

The screening of a student by a teacher or specialist to determine appropriate instructional strategies for curriculum implementation shall not be considered to be an evaluation for eligibility for special education and related services. 20 U.S.C. § 1414(a)(1)(E).

a) Consent for Initial Evaluation

Richard Milburn Academy shall make reasonable efforts to obtain informed parental consent before conducting an initial evaluation unless the student is an adult and does not have a Power of Attorney or guardianship in place. At that time the adult student could provide initial consent.

If the parent does not provide consent for an initial evaluation or fails to respond to a request to provide consent, Richard Milburn Academy may—but is not required to—pursue the initial evaluation by utilizing due process procedures, except to the extent inconsistent with state law relating to such parental consent.

Parental consent to initial evaluation shall not be construed as consent for placement for special education and related services. 20 U.S.C. § 1414(a)(1)(D)(i)(1); 34 C.F.R. § 300.300.

b) Wards of the State

If the child is a ward of the state and is not residing with the child's parent, Richard Milburn Academy shall make reasonable efforts to obtain the informed consent from the parent for an initial evaluation, unless:

1. Richard Milburn Academy cannot discover the whereabouts of the parent, despite reasonable efforts to do so;
2. The rights of the parent have been terminated; or
3. The rights of the parent to make educational decisions have been subrogated and an individual appointed by a judge to represent the student has given consent for an initial evaluation.

20 U.S.C. § 1414(a)(1)(D)(iii); 34 C.F.R. § 300.300(a)(2).

SEC. 4. PROVIDING ASSISTANCE TO STUDENTS WHO HAVE LEARNING DIFFICULTIES OR NEED SPECIAL EDUCATION SERVICES

If a student is experiencing learning difficulties, the parent may contact their child’s campus principal to learn about Richard Milburn Academy’s overall general education referral or screening system for support services. This system links students to a variety of support options, including referral for a special education evaluation. Students having difficulty in the regular classroom should be considered for tutorial, compensatory, and other academic or behavior support services that are available to all students, including a process based on Response to Intervention (“RtI”). The implementation of RtI has the potential to have a positive impact on Richard Milburn Academy’s ability to meet the needs of all struggling students.

At any time, a parent is entitled to request an evaluation for special education services by presenting a written request to Director of Special Education Services or to a Richard Milburn Academy administrative employee. Richard Milburn Academy must, within 15 school days of receiving the request, either (1) give the parent an opportunity to give written consent for the evaluation or (2) refuse to provide the evaluation and provide the parent with written notice that explains why the child will not be evaluated. This written notice will include a statement that informs the parents of their rights if they disagree with Richard Milburn Academy. Additionally, the parent will receive a copy of the *Notice of Procedural Safeguards – Rights of Parents of Students with Disabilities*.

If consent for evaluation is obtained, Richard Milburn Academy must generally complete the evaluation and report within 45 school days of the date Richard Milburn Academy receives the written consent. Richard Milburn Academy must give a copy of the evaluation report to the parent.

SEC. 5. NOTIFICATION TO PARENTS REGARDING INTERVENTION STRATEGIES

Each school year, Richard Milburn Academy shall notify a parent of each child or adult student, other than a child or adult student enrolled in a special education program, who receives assistance from the Richard Milburn Academy for learning difficulties, including through the use of intervention strategies that Richard Milburn Academy provides to the child or adult student. The notice must:

1. Be provided when the child or adult student begins to receive the assistance for that school year;
2. Be written in English or, to the extent practicable, the parent’s or adult student’s native language; and
3. Include:
 - a. A reasonable description of the assistance that may be provided to the child or adult student, including any intervention strategies that may be used;
 - b. Information collected regarding any intervention in the base tier of a multi-tiered system of supports that has previously been used with the child or adult student;
 - c. An estimate of the duration for which the assistance, including through the use of intervention strategies, will be provided;

- d. The estimated time frames within which a report on the child's or adult student's progress with the assistance, including any intervention strategies used, will be provided to the parent or adult student; and
- e. A copy of a written explanation of the options and requirements for providing assistance to students who have learning difficulties or who need or may need special education. The explanation must state that a parent or adult student is entitled at any time to request an evaluation of the parent's child or adult student for special education services or for aids, accommodations, or services under Section 504 of the Rehabilitation Act.

The notice under this policy may be provided to a child's parent or adult student at a Section 504 meeting.

A parent or adult student is entitled to access to all written records of Richard Milburn Academy concerning the parent's child or adult student, including attendance records, test scores, grades, disciplinary records, counseling records, psychological records, applications for admission, health and immunization information, teacher and school counselor evaluations, reports of behavioral progress, and records relating to assistance provided for learning difficulties, including information collected regarding any intervention strategies used with the child or adult student.

6.16 EVALUATION

SEC. 1. FULL AND INDIVIDUAL EVALUATION (FIE)

Richard Milburn Academy shall ensure that upon completion of the administration of such tests and other evaluation materials administered according to the evaluation procedures of the Individuals with Disabilities Education Act (“IDEA”), and preparation of the written report, the admission, review and dismissal (“ARD”) committee determines if the student is a student with a disability under state and federal standards.

Richard Milburn Academy shall conduct a full and individual initial evaluation (“FIE”) prior to providing special education and related services to any student. All students must be evaluated in accordance with the IDEA and the Texas Education Code.

Richard Milburn Academy shall have procedures in place to ensure that testing and evaluation materials and procedures utilized for the purposes of evaluation and placement of students with disabilities are selected and administered so as to not be racially, culturally, or gender discriminatory. Assessment and procedures shall be provided and administered in the student’s native language or most proficient mode of communication and in the form most likely to yield accurate information on what the student knows and can do academically, developmentally, and functionally, unless it is clearly not feasible to do so. (34 C.F.R. § 300.301; TEX. EDUC. CODE § 29.310).

All implementing assessment procedures must differentiate between language proficiency and handicapping condition. Additionally, placement procedures must ensure that placement in a bilingual education or English as a second language program is not refused solely because the student has a disability. (19 TEX. ADMIN. CODE § 89.1230).

No single procedure shall be the sole criterion for determining whether a student is a student with a disability or for determining an appropriate education program for a student with a disability. The evaluation must be sufficiently comprehensive to identify all of the student’s special education and related services’ needs. Each student must be evaluated in all suspected areas of disability. (34 C.F.R. §§ 300.301 and 300.304; TEX. EDUC. CODE § 29.310).

All assessments must be administered in accordance with the instructions provided and by a trained and knowledgeable person. (34 C.F.R. §§ 300.301 and 300.304).

SEC. 2. TIMELINE

If a student’s parent or adult student provides a written request for an evaluation to the school’s director of special education services or to a district administrative employee, Richard Milburn Academy shall, within 15 school days, (1) provide the parent with prior written notice of its proposal to conduct an evaluation, a copy of the procedural safeguards, and an opportunity to give written consent for the evaluation, or (2) provide prior written notice and procedural safeguards if the school is denying the request for evaluation. (TEX. EDUC. CODE § 29.004(c)).

A written FIE report must be completed not later than the 45th school day following the date on which Richard Milburn Academy receives written consent for the evaluation, signed by the student's parent or adult student. If the student is absent for more than three days in that time period, the timeline must be extended by the number of days the student was absent. (TEX. EDUC. CODE § 29.004(a)).

This time frame shall not apply if:

A student enrolls in the current school after the relevant time frame has begun and before the previous school made a determination as to whether the student has a disability, but only if the current school is making sufficient progress to ensure a prompt completion of the evaluation and the parent or adult student and current school agree to a specific time for completion of the evaluation; or
The parent or adult student repeatedly fails or refuses to produce the student for the evaluation. (34 C.F.R. § 300.301(d)).

Following the completion of the FIE, the ARD committee must meet within 30 calendar days from the date of completion to review and determine eligibility. (TEX. EDUC. CODE § 29.004). If the 30th day falls during the summer and school is not in session, the student's ARD committee has until the first day of classes in the fall to finalize decisions concerning the student's initial eligibility determination, individualized education program ("IEP"), and placement, unless the full individual and initial evaluation indicates that the student will need extended school year services during that summer.

If the student is an English language learner, the language proficiency assessment committee (LPAC) must also attend the meeting to determine services. (19 TEX. ADMIN. CODE § 89.1050(c)(1)(J)).

If Richard Milburn Academy receives written consent for an FIE from a student's parent or adult student at least 35 but less than 45 school days before the last instructional day of the school year, the evaluation must be completed and the written report of the evaluation must be provided to the parent or adult student not later than June 30 of that year. The ARD committee must meet by the 15th school day of the following school year to consider the evaluation.

If Richard Milburn Academy receives written consent signed by a student's parent or adult student less than 35 school days before the last instructional day of the school year or if the school receives the written consent at least 35 but less than 45 school days before the last instructional day of the school year but the student is absent from school during that period on three or more days, the FIE must be completed not later than the 45th school day after receiving consent.

School days do not include days following the last instructional day of the spring term and before the first day of the fall term.

(TEX. EDUC. CODE § 29.004).

SEC. 3. SPECIFIC LEARNING DISABILITY EVALUATION

The Texas Education Agency (“TEA”) cannot require Richard Milburn Academy to use the severe discrepancy between intellectual ability and achievement for determining whether a student has a specific learning disability. TEA must permit the use of a process based on the child’s response to scientific, research-based intervention; and may permit the use of other alternative research-based procedures for determining whether a student has a specific learning disability. (34 C.F.R. § 300.307).

The evaluation process for specific learning disability includes an observation of the child in the learning environment, including the regular classroom setting, to document academic performance and behavior in the areas of difficulty. 34 C.F.R. § 300.310 (a).

SEC. 4. FUNCTIONAL BEHAVIOR ASSESSMENT (FBA)

A functional behavior assessment (“FBA”) may be necessary for a student whose behavior impedes their education. Prior to completing an FBA, Richard Milburn Academy shall get consent from the parent or adult student. (34 C.F.R. §§ 300.9)

If an ARD committee determines a change of placement is necessary due to the student’s behavior, it must conduct an FBA and implement a behavioral intervention plan (“BIP”). If an FBA was already completed, the ARD committee must review and update the BIP. (34 C.F.R. § 300.350(f)).

SEC. 5. REVIEW OF EXISTING EVALUATION DATA (REED)

A Review of Existing Evaluation Data (REED) is required as part of an initial evaluation, if appropriate, and as part of any reevaluation. The REED must be conducted by the admission, review, and dismissal (“ARD”) committee members and other qualified professionals, as appropriate. The ARD committee members may conduct the review without a meeting.

The REED must include a review of the following:

- Evaluations and information provided by the parents of the student;
- Current classroom-based, local, or State assessments, and classroom-based observations; and
- Observations by teachers and related services providers.

On the basis of that review, and input from the student’s parents or adult student, the ARD committee members must identify what additional data, if any, are needed to determine:

- Whether the student is a student with a disability, and the educational needs of the student, or, in case of a reevaluation of a student, whether the student continues to have such a disability and the educational needs of the student;
- Whether the student needs special education and related services, or in the case of a reevaluation of a student, whether the student continues to need special education and related services;

- The present levels of academic achievement and related developmental needs of the student; and
- Whether any additions or modifications to the special education and related services are needed to enable the student to meet the measurable annual goals set out in the IEP of the student and to participate, as appropriate, in the general education curriculum.

Richard Milburn Academy shall administer any assessments or other evaluation measures needed to produce the data identified by the REED in accordance with applicable procedural requirements regarding notice and consent.

If additional data is not needed, the ARD committee must notify the parent of the determination decision and provide information about the parent's right to request additional assessments to determine student needs and eligibility. (34 C.F.R. § 300.305).

Richard Milburn Academy shall conduct a reevaluation of the student if the school determines that the educational or related service needs, including improved academic achievement and functional performance, of the child warrant a reevaluation or if the child's parent or teacher requests a reevaluation. A reevaluation may not occur more than once per year, unless agreed to by the school and the parent. A reevaluation must occur at least every three years, unless the school and parent agree the evaluation is unnecessary. (34 C.F.R. § 300.303).

SEC. 6. CHANGE IN ELIGIBILITY

Richard Milburn Academy shall evaluate a student with a disability before determining a student is no longer eligible for special education and related services.

An evaluation is not required if a student is no longer eligible due to graduation or exceeding the age eligibility in Texas. Richard Milburn Academy shall create a summary of performance and include recommendations on how to assist the student in meeting postsecondary goals. (34 C.F.R. § 300.305(e)).

SEC. 7. CONSIDERATION OF SERVICES PROVIDED IN REGULAR EDUCATION SETTING

To ensure that underachievement in the student suspected of having a specific learning disability is not due to lack of appropriate instruction in reading or math, the group of qualified professionals, as part of a full and individual evaluation, must consider:

- Data that demonstrate that prior to, or as part of, the referral process, the student was provided appropriate instruction in regular education settings, delivered by qualified personnel; and
- Data-based documentation of repeated assessments of achievement at reasonable intervals, reflecting formal assessment of progress during instruction, which was provided to the student's parents. (34 C.F.R. § 300.309(b)).

SEC. 8. COORDINATION OF EVALUATIONS WITH PRIOR AND SUBSEQUENT SCHOOLS

The school shall ensure that evaluations of students who transfer from one local education agency to another in the same academic year are coordinated with the student's prior and subsequent schools, as necessary and as expeditiously as possible, to ensure prompt completion of evaluations. (20 U.S.C. § 1414(b)(3)(D)).

SEC. 9. PSYCHOLOGICAL EXAMINATIONS AND TESTS

On request of a child's parent, before obtaining the parent's consent for the administration of any psychological examination or test to the child as part of the evaluation of the child's need for special education, Richard Milburn Academy shall provide to the child's parent:

1. The name and type of the examination or test; and
2. An explanation of how the examination or test will be used to develop an appropriate IEP for the child.

If Richard Milburn Academy determines that an additional examination or test is required for the evaluation of a child's need for special education, Richard Milburn Academy shall provide the information above to the parent or adult student regarding the additional examination or test and shall obtain additional consent for the examination or test. TEX. EDUC. CODE § 29.0041(a), (b).

If Richard Milburn Academy determines that an additional examination or test is required for the evaluation, Richard Milburn Academy shall provide the information required by TEX. EDUC. CODE § 29.0041(a) and shall obtain parental or adult student consent. If a parent or adult student does not give consent within 20 calendar days after the School provides the information, the parent's or adult student's consent is considered denied.

The time required for Richard Milburn Academy to provide information and seek consent may not be counted toward the timeframe for completion of an evaluation. TEX. EDUC. CODE § 29.0041.

SEC. 10. EXTENSION OF TIMELINES

For a specific learning disability, the timelines for evaluation under this policy may be extended by mutual written agreement of the student's parents and the ARD committee. (34 C.F.R. § 300.309(c)).

SEC. 11. EVALUATION CONDUCTED PURSUANT TO A SPECIAL EDUCATION DUE PROCESS HEARING

A special education hearing officer in an impartial due process hearing brought under 20 U.S.C. § 1415 may issue an order or decision that authorizes one or more evaluations of a student who is eligible for, or who is suspected as being eligible for, special education services. Such an order or decision authorizes the evaluation of the student without parental consent as if it were a court order for purposes of any State or federal law providing for consent by order of a court. (TEX. EDUC. CODE § 29.016).

SEC. 12. INDEPENDENT EDUCATIONAL EVALUATIONS

The parent of a student with a disability has the right to obtain an independent educational evaluation (“IEE”) of the parent’s child if the parent disagrees with the evaluation of the student that was obtained by Richard Milburn Academy.

If the parent requests an IEE, Richard Milburn Academy must provide the parent with information about where the parent may obtain an IEE and about Richard Milburn Academy’s criteria that apply to IEE.

SEC. 13. DEFINITIONS

An IEE means an evaluation conducted by a qualified examiner who is not employed by the school responsible for the education of a student.

Public expense means that Richard Milburn Academy either pays for the full cost of the evaluation or ensures that the evaluation is otherwise provided at no cost to the parent, consistent with the provisions of Part B of IDEA, which allow each State to use whatever State, local, Federal, and private sources of support are available in the State to meet the requirements of Part B of IDEA.

(34 C.F.R. § 300.502).

SEC. 14. RIGHT TO EVALUATION AT PUBLIC EXPENSE

The parent has the right to request an IEE of the parent’s child at public expense if the parent disagrees with an evaluation of the student completed by Richard Milburn Academy.

If the parent requests an IEE, Richard Milburn Academy must respond to the parent by either:

1. without unnecessary delay, file a due process complaint to request a hearing to show that its evaluation of the student is appropriate; or
2. provide an IEE at public expense, unless Richard Milburn Academy demonstrates in a due process hearing that the evaluation of the student that the parent obtained did not meet Richard Milburn Academy’s criteria.

If Richard Milburn Academy requests a hearing and the final decision is that Richard Milburn Academy’s evaluation of the student is appropriate, the parent still has the right to an IEE, but not at public expense.

If the parent requests an IEE of the student, Richard Milburn Academy may ask why the parent objects to the evaluation of the student obtained by Richard Milburn Academy; however, Richard Milburn Academy may not require an explanation and may not unreasonably delay either providing the IEE of the student at public expense or filing a due process complaint to request a due process hearing to defend Richard Milburn Academy’s evaluation of the student.

The parent is entitled to only one IEE of the student at public expense each time Richard Milburn Academy conducts an evaluation of the student with which the parent disagrees. (34 C.F.R. § 300.502).

a) Parent or Adult Student-Initiated Evaluations

If the parent or adult student obtains an IEE of the student at public expense or the parent shares with Richard Milburn Academy an evaluation of the student that the parent or adult student obtained at private expense:

1. Richard Milburn Academy must consider the results of the evaluation of the student, if it meets Richard Milburn Academy's criteria for IEE, in any decision made with respect to the provision of a free appropriate public education to the student; and
2. the parent or adult student or Richard Milburn Academy may present the evaluation as evidence at a due process hearing regarding the student.

(34 C.F.R. § 300.502).

b) Requests for Evaluations by Hearing Officers

If a hearing officer requests an IEE of the student as part of a due process hearing, the cost of the evaluation must be at public expense.

SEC. 15. CRITERIA FOR OBTAINING IEE AT PUBLIC EXPENSE

The criteria under which the IEE is obtained, including the location of the evaluation and the qualifications of the examiner, must be the same as the criteria that the public agency uses when it initiates an evaluation, to the extent those criteria are consistent with the parent's right to an IEE.

a) Location

The evaluator conducting an IEE of a child with a disability at public expense must be located within a 100-mile radius of Richard Milburn Academy. This will allow the evaluator access to Richard Milburn Academy for observation of the student and access to the student's cumulative and special education eligibility folders.

b) Cost

Parents or adult student are free to select whomever they choose to perform the IEE, so long as the examiner meets Richard Milburn Academy's criteria. Richard Milburn Academy will pay a fee for an IEE that allows a parent to choose from among qualified professionals in the area.

Richard Milburn Academy will not pay unreasonably excessive fees. An unreasonably excessive fee is one which is 20% above the prevailing fees in the area as established by the Medicaid/Medicare Service Provider Manual for the specific test being considered.

Parents or adult student will be offered the opportunity to demonstrate to their child's ARD committee that unique circumstances exist which justify an IEE that does not meet Richard Milburn Academy criteria outlined in this document.

When evaluators have a sliding scale fee based on parent income, Richard Milburn Academy will pay the amount charged to the parent if the evaluator meets Richard Milburn Academy criteria or Richard Milburn Academy has approved the IEE that does not meet Richard Milburn Academy criteria.

In the event a parent or adult student pursues an IEE independently or pursues an IEE provider that is not on Richard Milburn Academy independent evaluator list, Richard Milburn Academy will determine if the evaluator meets Richard Milburn Academy criteria prior to authorizing payment or reimbursement. If payment will be authorized, an original billing form and an original written report with original signature must be submitted to Richard Milburn Academy prior to payment.

Richard Milburn Academy will deny payment for an IEE conducted by an evaluator who does not meet Richard Milburn Academy criteria. Richard Milburn Academy will deny payment for an IEE that does not meet TEA criteria for the specific disability identified.

If a hearing officer requests an IEE as part of a hearing on a due process complaint, the cost of the evaluation must be at public expense.

Travel costs for evaluators will not exceed Richard Milburn Academy rates for travel as established by state guidelines.

A contract for an IEE between an evaluator and Richard Milburn Academy will not exceed one year. All terms will become void after the expiration date of one year.

c) Evaluator Criteria

The evaluator conducting the IEE must meet Richard Milburn Academy criteria and possess comparable credentials to the examiner that conducted the evaluation that is in dispute.

Evaluators must possess current licensure/certification to conduct the evaluation and must provide copies of his or her license or certification with the evaluation, if not previously provided.

Evaluators must comply with all requirements specified in state and federal law, including those outlined in the professional board responsible for providing the license or certification.

Evaluators must meet the examiner qualifications for the tests administered as outlined by the test producer.

The evaluator will have access to the student's cumulative folder and special education folders in gathering information about the student.

The evaluator will have the ability to interview teachers and observe the student in the educational setting.

Prior to conducting the assessment, the evaluator agrees to submit to a national criminal history review and to provide any and all information necessary to secure the national criminal history review, including fingerprints and photographs, or other information required by Tex. Educ. Code § 22.0834 concerning Contractor or Contractor's Subcontractors.

The evaluator agrees to conduct a thorough evaluation in the area(s) performed by Richard Milburn Academy with which the parent or adult student disagrees.

Copies of protocols must be provided to Richard Milburn Academy.

The report must comply with all federal and state requirements, including addressing the presence or absence of a disability condition as defined under the IDEA and the Texas Education Code.

The evaluation must be provided to Richard Milburn Academy upon completion.

Except for the criteria described above, Richard Milburn Academy may not impose conditions or timelines related to obtaining an IEE at public expense. (34 C.F.R. § 300.502(e)).

6.17 FUNDING – FEDERAL FUNDING COMPLIANCE IDEA, TITLE I
SEC. 1. COMPLIANCE

Richard Milburn Academy shall use Individuals with Disabilities Education Act (“IDEA”) Part B funds received to:

1. comply with the federal maintenance of effort (“MOE”) requirements;
2. supplement State, local and other Federal funds and not supplant such funds; and
3. pay the excess costs of providing special education and related services to children with disabilities and must be used to supplement State, local, and other Federal funds.

(34 C.F.R. § 300.202, 20 U.S.C. § 1413(a)(2)).

SEC. 2. REDUCING LEVEL OF EXPENDITURES

Funds provided to Richard Milburn Academy will not be used to reduce the level of expenditures for the education of students with disabilities made by Richard Milburn Academy below the level of those funds for the preceding year. (20 U.S.C. § 1423(a)(2)(A)(iii), Appendix E to Part 300).

Richard Milburn Academy may reduce the level of expenditures if the reduction is attributable to:

1. Voluntary departure, retirement, or departure for just cause of special education personnel;
2. A decrease in enrollment of students with disabilities;
3. The termination of the obligation of Richard Milburn Academy to provide a special education program to a particular student with a disability that is an exceptionally costly program because the child left Richard Milburn Academy, aged out of services, or no longer needs special education;
4. The termination of costly expenditures for long-term purchases; or
5. The assumption of cost by the high cost fund operated by the Texas Education Agency.

(34 C.F.R. § 300.204).

SEC. 3. EXCESS EXPENDITURES

Having complied with MOE and excess costs requirements, Richard Milburn Academy will use IDEA Part B funds for the following activities:

1. For the costs of special education and related services, and supplementary aids and services, provided in a regular class or other education-related setting to the child with a disability in accordance with the individualized education program (“IEP”) of the child, even if nondisabled children benefit from such services;
2. To develop and implement coordinated, early intervening educational services in compliance with the Child Find and administration requirements, including:
 - a. Early intervening services, which may include interagency financing structures, for children in kindergarten through grade 12 (with a particular emphasis on children in

- kindergarten through grade 3) who are not currently identified as needing special education or related services but who need additional academic and behavioral support to succeed in a general education environment;
- b. Richard Milburn Academy may not use more than 15 percent of the amount received under IDEA Part B for any fiscal year, less any adjustments by Richard Milburn Academy to local fiscal effort, if any, in combination with other amounts, which may include amounts other than education funds, to develop and implement coordinated, early intervening services; and
 3. To establish and implement cost or risk-sharing funds, consortia, or cooperatives for Richard Milburn Academy, or for Richard Milburn Academy's working in a consortium of which Richard Milburn Academy is a part, to pay for high-cost special education and related services.
 4. Richard Milburn Academy may use IDEA Part B funds to purchase appropriate technology for recordkeeping, data collection, and related case management activities of teachers and related services personnel providing services described in the IEP that is needed for the implementation of such case management activities.

(34 C.F.R. § 300.208).

SEC. 4. EARLY INTERVENING SERVICES

Funds made available for early intervening services, must supplement not supplant funds available under the ESEA. (34 C.F.R. § 300.226(e)).

SEC. 5. USE OF IDEA PART B FUNDS FOR TITLE 1 PROGRAMS

Notwithstanding any other provisions related to commingling of funds, Richard Milburn Academy may use IDEA Part B funds received for any fiscal year to carry out a Title 1, Part A school wide programs under the Elementary and Secondary Education Act ("ESEA"), except that the amount may not exceed:

- the amount received by the school under IDEA Part B for that fiscal year; divided by
- the number of students with disabilities in the jurisdiction of the school; and multiplied by
- the number of students with disabilities participating in the school wide program.

(34 C.F.R. § 300.206; 20 U.S.C. § 1413).

SEC. 6. COMPLIANCE WITH FEDERAL FUNDING REQUIREMENTS: TITLE 1

To the extent required under Title 1 of the ESEA, Richard Milburn Academy shall ensure equity among school programs in staff/student ratios and in expenditures of money for curriculum materials and instructional supplies. "Staff" shall include teachers, administrators, and auxiliary personnel. In special programs, such as special education and bilingual education, a lower ratio may be maintained and more money may be spent as necessary to fulfill other legal requirements.

The parental involvement program shall be set up in accordance with requirements of Title 1 of the ESEA, as applicable. Parental involvement is encouraged and required in the planning and decision-making process for the school and for the campus.

6.18 FUNDING – NONEDUCATIONAL SERVICES
SEC. 1. NONEDUCATIONAL COMMUNITY BASED SUPPORT SERVICES

Students with disabilities and their families may be eligible to receive noneducational community-based support services paid for by public funds.

The Texas Education Agency (TEA) is responsible for establishing procedures and criteria for the allocation of noneducational funds to open-enrollment charter schools for the provision of noneducational community-based support services to certain students with disabilities and their families so that those students may receive a free appropriate public education (“FAPE”) in the least restrictive environment. (TEX. EDUC. CODE § 29.013(a)).

Richard Milburn Academy shall use any funds allocated under TEX. EDUC. CODE § 29.013 only for eligible students with disabilities who would remain or would have to be placed in residential facilities primarily for educational reasons without the provision of noneducational community-based support services. (TEX. EDUC. CODE § 29.013(b)).

The support services may include in-home family support, respite care, and case management for families with a student who otherwise would have been placed by an open-enrollment charter school in a private residential facility. (TEX. EDUC. CODE § 29.013(c)).

The provision of services under TEX. EDUC. CODE § 29.013 does not supersede or limit the responsibility of other agencies to provide or pay for costs of noneducational community-based support services to enable any student with disabilities to receive a FAPE in the least restrictive environment. Specifically, services provided under TEX. EDUC. CODE § 29.013 may not be used for a student with disabilities who is currently placed or who needs to be placed in a residential facility primarily for noneducational reasons. Funds cannot be used to cover services already required through the student’s individual education program or for long-term care. (TEX. EDUC. CODE § 29.013(d)).

6.19 FUNDING – SHARED SERVICES ARRANGEMENTS
SEC. 1. SHARED SERVICES ARRANGEMENT

Richard Milburn Academy may enter into a written contract to jointly operate its special education programs. Funds to which the cooperating schools/charter schools are entitled may be allocated to the schools/charter schools jointly as shared services arrangement units or shared services arrangement funds in accordance with the shared services arrangement schools/charters' agreement, TEA General and Fiscal Guidelines and Texas Government Code Chapter 791 (interlocal agreements).

6.20 FUNDING – STATE ALLOTMENTS

SEC. 2. SPECIAL EDUCATION ALLOTMENT

Each open-enrollment charter school will receive an annual allotment equal to the adjusted basic allotment multiplied by 1.1 for each student receiving special education and related services in a mainstream instructional arrangement. For each full-time equivalent student receiving special education and related services in average daily attendance in an instructional arrangement other than a mainstream instructional arrangement, the open-enrollment charter school is entitled to an annual allotment equal to the adjusted basic allotment multiplied by a weight determined according to instructional arrangement as set forth in Tex. Educ. Code § 48.102.

Funds allocated under this section, other than an indirect cost allotment established under State Board of Education (“SBOE”) rule, must be used in the special education program under Subchapter A, Chapter 29. (TEX. EDUC. CODE § 48.102(h)).

Funds allocated under TEX. EDUC. CODE § 48.104 shall be used to fund supplemental programs and services designed to eliminate any disparity in performance on assessment instruments administered under Subchapter B (School-Based Health Centers), Chapter 39, Texas Education Code or disparity in the rates of high school completion between students at risk of dropping out of school, as defined by TEX. EDUC. CODE § 29.081 (Compensatory, Intensive, and Accelerated Instruction) and all other students. Specifically, the funds, other than an indirect cost allotment established under SBOE rule, which may not exceed 45 percent, may be used to meet the costs of providing a compensatory, intensive, or accelerated instruction program under TEX. EDUC. CODE § 29.081 or an alternative education program established under TEX. EDUC. CODE § 37.08 (Disciplinary Alternative Education Programs) or to support a program eligible under Title I of the Elementary and Secondary Education Act of 1965, as provided by Pub. L. In meeting the costs of providing a compensatory, intensive, or accelerated instruction program under TEX. EDUC. CODE § 29.081, Richard Milburn Academy’s compensatory education allotment shall be used for costs supplementary to the regular education program, such as costs for program and student evaluation, instructional materials and equipment and other supplies required for quality instruction, supplemental staff expenses, salary for teachers of at-risk students, smaller class size, and individualized instruction. (TEX. EDUC. CODE § 48.104(k)).

2. \$50 for each of the following in which the student is enrolled:
 - a. two or more advanced career and technology education classes for a total of three or more credits;
 - b. a campus designated as a P-TECH school under Section 29.566; or
 - c. a campus that is a member of the New Tech Network and that focuses on project-based learning and work-based education.

For purposes of this allotment, "full-time equivalent student" means 30 hours of contact a week between a student and career and technology education program personnel.

(34 C.F.R. § 300.102).

A student who receives a diploma, but took one or more classes with a modified curriculum, may request the ARD committee determine needed educational services as long as the student meets the age eligibility requirements. Video surveillance under this policy is for the purpose of promoting student safety in certain self-contained classrooms and other special education settings.

This notice shall be in the form of a “Notice of Installation of Video and Audio Recording Equipment” form adopted by the Superintendent or designee, and the form shall be distributed to all parties prior to the start of recording.

At Richard Milburn Academy’s discretion, campuses may post a notice at the entrance of any self-contained classroom or other special education setting in which video cameras are placed stating that video and audio surveillance are conducted in the classroom or setting.

SEC. 5. TIMES OF OPERATION

Cameras shall be operational at all times during the instructional day when students are in the self-contained classroom or other special education setting.

A school or campus that places a video camera in a classroom or other special education setting shall operate and maintain the video camera in the classroom or setting, as long as the classroom or setting continues to satisfy the requirements under this policy, for the remainder of the school year in which the school or campus received the request, unless the requestor withdraws the request in writing.

Not later than the 10th school day before the end of each school year, the school or campus must notify the parents of each student in regular attendance in the classroom or setting that operation of the video camera will not continue during the following school year unless a person eligible to make a request for the next school year submits a new request.

This policy applies to placement, operation, and maintenance of a video camera in a self-contained classroom or other special education setting during the regular school year and extended school year services.

SEC. 6. RESTRICTIONS ON VIDEO RECORDING

If an authorized person, including a parent or other person as set forth below under Confidentiality of Video Recordings, requests to view a video recording from a video camera placed under this policy, Richard Milburn Academy must retain the recording from the date of receipt of the request until the person has viewed the recording and a determination has been made as to whether the recording documents an alleged incident. If the recording documents an alleged incident, Richard Milburn Academy shall retain the recording until the alleged incident has been resolved, including the exhaustion of all appeals.

A video recording under this policy is a governmental record only for purposes of Texas Penal Code § 37.10.

SEC. 8. CONFIDENTIALITY OF VIDEO RECORDINGS

A video recording of a student is confidential and may not be released or viewed except as provided by Tex. Educ. Code § 29.022; the Family Educational Rights and Privacy Act of 1974 ("FERPA"); or other applicable law.

5. Appropriate TEA or State Board for Educator Certification personnel or agents as part of an investigation.

A contractor or employee performing job duties relating to the installation, operation, or maintenance of video equipment or the retention of video recordings who incidentally views a video recording is not in violation of this policy.

If a person described by subsections (4) or (5) above who views the video recording believes that the recording documents a possible violation under Subchapter E, Chapter 261, Texas Family Code, the person shall notify the DFPS for investigation in accordance with Texas Family Code § 261.406.

If any person described by subsections (3), (4), or (5) above who views the recording believes that the recording documents a possible violation of Richard Milburn Academy policy, the person may allow access to the recording to appropriate legal and human resources personnel. A recording believed to document a possible violation of Richard Milburn Academy policy relating to the neglect or abuse of a student may be used as part of a disciplinary action against Richard Milburn Academy personnel and shall be released at the request of the student's parent or adult student in a legal proceeding.

If Richard Milburn Academy determines that the recording is an "education record," Richard Milburn Academy shall release the recording in accordance with FERPA. State law does not limit the access of a student's parent or adult student to a record regarding the student under FERPA or other law.

In order to review recordings for potential release, and for operation and maintenance of the equipment, the following individuals shall have access to the video equipment: IT Department, Security Officers, Campus Administrators, or Central Office Staff Members.

To report a complaint of alleged abuse or neglect to Richard Milburn Academy and/or to request to view a recording, a written "Incident Report Form," as adopted by the Superintendent or designee, shall be used by the requestor. This form will be completed to the extent of known information and returned to the Superintendent or designee for validation.

Code § 29.022 must be addressed through Richard Milburn Academy's Student and Parent Grievance Process adopted by the Board.

Richard Milburn Academy, a parent, staff member, or an administrator may request an expedited review by the TEA of Richard Milburn Academy's (1) denial of a request, (2) request for an extension of time to begin operation of a video camera, or (3) determination to not release a video

recording to an individual. If Richard Milburn Academy, a parent, staff member or administrator requests an expedited review, the TEA shall notify all other interested parties of the request.

If an expedited review has been requested, the TEA shall issue a preliminary judgment as to whether Richard Milburn Academy is likely to prevail on the issue under a full review by the TEA. If the TEA determines Richard Milburn Academy is not likely to prevail, Richard Milburn Academy must fully comply with the policy notwithstanding an appeal of the TEA's decision. The TEA shall notify the requestor and Richard Milburn Academy, if Richard Milburn Academy is not the requestor, of the TEA's determination.

The requirements described by this policy do not:

1. Waive any immunity from liability of Richard Milburn Academy, or of Richard Milburn Academy officers or employees; or
2. Create any liability for a cause of action against Richard Milburn Academy or against Richard Milburn Academy officers or employees.
