Dear Class of 2025,

On this momentous day, we celebrate your accomplishments and the bright future ahead. On behalf of the faculty and staff of RMA Public Schools, I extend my heartfelt congratulations to you.

As you step into this new chapter of your life, know that you are capable, resilient, and ready to embrace the opportunities that await. You have overcome challenges, pursued your goals with determination, and demonstrated the strength that defines an RMA graduate. No matter the path you choose—higher education, the workforce, or another adventure—trust in yourself, set bold goals, and chase your dreams with passion.

Take a moment to reflect on the friendships, lessons, and memories you've made during your time at RMA. These experiences have shaped the person you are today and will serve as a foundation for the success that lies ahead. The values of integrity, perseverance,

and excellence will guide you in every endeavor, and we know you will represent RMA with pride.

Know that you are never alone. You will always be part of the RMA family, and we will continue to cheer you on from the sidelines. Your journey is just beginning, and I have no doubt that you will make a lasting impact on the world.

Go forward with confidence, embrace every opportunity, and never stop believing in yourself. The future is yours to create, and I am excited to see the extraordinary things you will achieve.

Armand Anderson

#### **MESSAGE FROM THE PRINCIPAL:**

On to the next chapter in your story!

I look at each of you with great pride and excitement for the amazing things you have in your future. Even though I may not have seen you through the last few years, I am expremely blessed to have held an umbella over your heads on those rainy days this year. Just know the rain will come, but so will the sunlight. Continue to move forward. Focus on progress over perfection. Remember to ring your bell loud and proud when you accomplish something. Dance out the door on Fridays and be disciplined enough to get there on Mondays. Each of your stories are important because you matter. Guardians, thank you for allowing us to be a part of your student's life. Students, have a great afternoon, stay safe and I will see you later.

Blessings for Prosperity, Dr. Amy Clifton RMA Amarillo Principal
