RMA PUBLIC SCHOOLS 2024-20225

Dear Class of 2025,

On this momentous day, we celebrate your accomplishments and the bright future ahead. On behalf of the faculty and staff of RMA Public Schools, I extend my heartfelt congratulations to you.

As you step into this new chapter of your life, know that you are capable, resilient, and ready to embrace the opportunities that await. You have overcome challenges, pursued your goals with determination, and demonstrated the strength that defines an RMA graduate. No matter the path you choose—higher education, the workforce, or another adventure—trust in yourself, set bold goals, and chase your dreams with passion.

Take a moment to reflect on the friendships, lessons, and memories you've made during your time at RMA. These experiences have shaped the person you are today and will serve as a foundation for the success that lies ahead. The values of integrity, perseverance,

and excellence will guide you in every endeavor, and we know you will represent RMA with pride.

Know that you are never alone. You will always be part of the RMA family, and we will continue to cheer you on from the sidelines. Your journey is just beginning, and I have no doubt that you will make a lasting impact on the world.

Go forward with confidence, embrace every opportunity, and never stop believing in yourself. The future is yours to create, and I am excited to see the extraordinary things you will achieve.

With pride and best wishes,

Rumand Anderson

MESSAGE FROM THE PRINCIPAL:

RMA Fort Worth Interim Principal

What a *fabulous* journey it has been—short, sweet, and so meaningful. Though our time together was brief, I am incredibly grateful for the opportunity to walk alongside you during this special chapter.

Each of you has a light that is uniquely your own, and I have no doubt you will shine brightly in whatever path you choose. May your lives be filled with service, fun, and endless possibilities. Go forward with grace, confidence, and that fabulous spark that makes you you.

As you step into your future, carry with you this wisdom from Maya Angelou:

"My mission in life is not merely to survive, but to thrive; and to do so with some passion, some compassion, some humor, and some style."

With heartfelt pride and warmest wishes,

Ms. White Interim Principal

ACKNOWLEDGEMENTS

We would like to thank all our faculty, staff, volunteers, students, and parents for making this year one to remember.

. Congratulations! Today is your day.
You're off to Great Places!
You're off and away!
You have brains in your head. You have feet in your shoes.

You can steer yourself in any direction you choose.
You're on your own.

And you know what you know.
You are the guy who'll decide where to go
