RMA PUBLIC SCHOOLS

2024-2025

Dear Class of 2025,

On this momentous day, we celebrate your accomplishments and the bright future ahead. On behalf of the faculty and staff of RMA Public Schools, I extend my heartfelt congratulations to you.

As you step into this new chapter of your life, know that you are capable, resilient, and ready to embrace the opportunities that await. You have overcome challenges, pursued your goals with determination, and demonstrated the strength that defines an RMA graduate. No matter the path you choose—higher education, the workforce, or another adventure—trust in yourself, set bold goals, and chase your dreams with passion.

Take a moment to reflect on the friendships, lessons, and memories you've made during your time at RMA. These experiences have shaped the person you are today and will serve as a foundation for the success that lies ahead. The values of integrity, perseverance, and excellence will guide you in every endeavor, and we know you will represent RMA with pride.

Know that you are never alone. You will always be part of the RMA family, and we will continue to cheer you on from the sidelines. Your journey is just beginning, and I have no doubt that you will make a lasting impact on the world.

Go forward with confidence, embrace every opportunity, and never stop believing in yourself. The future is yours to create, and I am excited to see the extraordinary things you will achieve.

MESSAGE FROM THE PRINCIPAL:

You made it! We are grateful to all who supported and nurtured you throughout this journey. Your parents, teachers, and other loved ones have encouraged you and assisted you with actualizing your goals. It is time to look to the future and transition to a new chapter in your life. No matter what obstacles you may encounter, I'm confident that we, Richard Milburn Academy, has prepared you to persevere through any hardships you may face.

You are now the author of your life's journey. Go into this world and explore the opportunities of your interest. Remember that your actions will determine the possibilities and the path that lies ahead. Through your actions and interactions, you have the ability to create positive changes in the unwritten chapters that are yet to come.

You have brains in your head. You have
feet in your shoes.
You can steer yourself
in any direction you choose.
You're on your own.
And you know what you know.
You are the guy who'll decide where to go
